AP CONSTRUCTION

AP Construction, Inc. is a family-owned, 3rd generation, general construction firm whose humble beginnings began installing pipe in the cobble-stoned streets of Philadelphia. After years of hard work and dedication, AP started contracting utility work in the entire Tri-State area. AP then began building facilities, rehabbing tunnels, and managing million dollar projects. Partners and clients reacted to AP's superior work ethic and the corporation prospered hand-in-hand with business relationships.

Mayor Mayer and Chief Earle Congratulate Ptl. Chris Gerace for his unprecedented contribution to the success of the 2016 USPCA K9 Trials Event.

"When Gloucester Twp was selected to host this great event, 2 years ago, I was the newest guy in the unit. During the planning, I ended up the senior member in the unit through retirement and promotion which left me with a majority of the responsibility. Thankfully, with the help of Mayor Mayer and Chief Earle, we were able to assemble a great committee to help work out most of the details. The outpouring of support we received from our community was nothing less than amazing. It is very difficult to put into words the pride and gratitude I have in all of those that supported this event," said Ptl. Gerace last year.

Mayor David R. Mayer and Chief of GTPD Harry Earle were honored to acknowledge Ptl. Chris Gerace for his major contribution to the National K9 Trials held last year and thanked him and his family.

GTPD Dog Walkers Watch

Dog Walker Watch (DWW) is a crime awareness program sponsored by the National Association of Town Watch (NATW) that encourages dog walkers nationwide to serve as "extra eyes and ears" for local law enforcement agencies. There are dozens, if not hundreds, of dog walkers throughout the community who are often preoccupied with texting, chatting, emailing, and phone

calls during their neighborhood walks. Dog Walker Watch trains these individuals on how to effectively observe and report criminal activity to the Police Department.

The Gloucester Township Police Department would like to invite you and your pet-friendly dog to attend our 2017 event for Dog Walkers Watch on Saturday June 17th, 2017 from 10:00 AM to 12:00 PM at the Camden County Timber Creek Dog Park located on Chews Landing Road in Gloucester Township. Come out and learn how you can help us fight crime by reporting suspicious activity. Residents who attend will be assigned an anonymous Dog Walkers Watch Number and Card to report crime activity in their neighborhoods.

If you have any questions you may contact the Gloucester Township Police Community Relations Bureau, Ptl. Jenn McLaughlin jmclaughlin@gtpolice.com or Ptl. Erica Marconi ericamarconi@gtpolice.com or call 228-4011.

National Missing Children's Day

On May 25, 2017 the GTPD will be supporting National Missing Children's Day. On this date it is a reminder for all parents, guardians, teachers and other role models to make child safety a priority. Between the hours of 8:00 AM and 4:00 PM please stop by the GTPD Community

Services Division Office to receive a free fingerprint kit and brochure which will assist you in ways to keep your child safe.

Take 25 is designed to raise awareness of the issues surrounding missing and exploited children. The Take 25 campaign encourages parents, guardians, educators, and others to take 25 minutes to talk to children about safety. With a focus on prevention, Take 25 provides communities with free safety resources including safety tips, conversation starters, and engaging activities.

Visit www.take25.org to obtain 25 ways to make kids safer.
