Gloucester Township Welcomes Brand New Dunkin Donuts

August 18th, 2017, Mayor David Mayer cut the ribbon for a brand new Dunkin Donuts in the Blackwood section of the Township. Owned and operated by Alliance Management, this company has been serving the Gloucester Township community for the past 30 years since they opened their first location in the Township. As the world's leading coffee and baked goods chain, Dunkin Donuts serves over 3 million customers every day at their 11,300 locations worldwide offering over 50+ different kinds of donuts.

Festivities at the grand opening ceremony included a live DJ, face painting, balloon animals and a clown; and those lucky ones who were the first 200 customers even recieved free Dunkin Donuts travel mugs.

Mayor Mayer expressed his excitement to welcome this new Dunkin location to our town and thinks it will be a great addition to our Township!

Fundraising for JDRF is Now in Full Swing

With Mayor David Mayer serving as the Corporate Chair for JDRF's 2017 One Walk, fundraising has officially kicked off here in Gloucester Township! Township employees began fundraising this week by participating in a Jean Day to help raise money for Type 1 Diabetes.

"There are millions of Americans that are faced with the challenge of living with Type 1 Diabetes every day. I have stepped up to support JDRF because I believe that together we can make a difference and help to find a cure for Type 1 Diabetes. I

would be honored if you'd join me," said Mayor David R. Mayer. "Serving as the Corporate Chair for the 2017 JDRF One Walk, I would like to invite you to create a team or join ours, the GTCrusaders, to raise awareness and funds for the Juvenile Diabetes Foundation," said Mayor Mayer.

If you would like to participate in the walk on October 22nd or make a donation to JDRF, visit www2.jdrf.org for more information and to register.

PRESCRIPTION DROP-OFF

Most parents would be horrified to hear that they can easily become the source of their child's drug abuse. But for those who casually store their prescription medications at home, the problem becomes very real.

The effort to stop the abuse and diversion of prescription drugs begins at home – and must include the opportunity for Gloucester Township residents to dispose of their unused medications safely and securely at any time throughout the year. The Gloucester Township Police Department wants to remind everyone to "clean out" your unused medications from your medicine cabinet and safely dispose them in one of our drug boxes.

Residents from Gloucester Township can visit our drug boxes seven days a week, to drop off unneeded and expired medications – and keep them away from those at risk of abusing them. That box is located by the Police Department's Watch Desk Area. The second box is located on the municipal side of the building by the operator entrance. The drop boxes accept solid pharmaceuticals such as pills, capsules, patches, inhalers, and pet medications. *They cannot accept syringes or liquids.*
