Join The Young Americans During their National Music Outreach Tour

Join The Young Americans for a fun, amazing experience during their National Music Outreach Tour, November 9th-11th at Camden County College's Lincoln Hall. Student participants in grades three and above will work side-by-side the talented Young Americans' performers from California as they engage in a workshop focused on voice, dance, and performance techniques. Then, on November 11th, at the Dennis Flyer Theatre, the students will share the stage with the Young Americans in a spectacular two-hour show in front of parents, families, and community members.

Faye Shapiro, mom of returning workshop participant, Melissa, had this to say about the workshop, "The Young Americans was Melissa's first Mainstage program. She learned a lot about performing and it really helped her feel more comfortable on stage. The Young Americans were very supportive and made performing a lot of fun. Melissa couldn't wait to do it again!"

More details of the schedule and registration is available at mainstage.org.

JDRF ONE WALK THIS SUNDAY!

Juvenile Diabetes Research Foundation (JDRF) One Walk will kick off it's annual event in Gloucester Township on Sunday, October 22nd at Camden County College aiming to raise more than half a million dollars to help fund type 1 diabetes (T1D) research.

"Everyone who comes out to walk or support the event will bring us one step closer to turning Type One into Type None. This is a great activity for families and friends to get together in support of type 1 diabetes research, whether you know someone affected by T1D or just want to make a difference," said Nanette Gerst, Executive Director for the chapter.

"Serving as the Corporate Chair for the 2017 JDRF One Walk, it is my honor to invite you to participate in an event that does so much to help JDRF make living with diabetes safer and healthier, until a cure is found. Last year, \$450,000 was raised at the JDRF One Walk here in Gloucester Township! Please join me at the 2017 JDRF One Walk Event this Sunday," said Mayor David Mayer.
