Harry Earle
Chief of Police

Dear Future Supporter,

The Gloucester Township Police Department is proud to announce that it has been selected to host the 2016 United States Police Canine Association National Police Dog Trials. This large scale national event has been scheduled for September 25, 2016 through September 30, 2016. This event will bring together approximately 150 Police K-9 Teams, their families, administrators and thousands of spectators, from throughout the United States and Canada, to vie for national certification and compete for individual awards. The teams that compete at the Nationals are the best Police Working Dogs in North America, and have competed in their home states, and achieved a qualifying score to participate in this very prestigious competition. The K-9 teams will be tested in the areas of obedience, agility, evidence recovery, suspect search and the most exciting phase the criminal apprehension with and without gun fire. One of the highlights will be a free public demonstration on September 29th at 6:00 p.m. here in Gloucester Township at the Timber Creek High School.

The host hotel is the La Quinta Inn & Suites, 109 9th Ave., Runnemede, NJ. This national event will be publicized in numerous police magazines, local papers, social media and national television. Signage will be placed announcing the event, and it is scheduled to receive live radio and live television coverage. We look forward to your support for this great event!

The United States Police Canine Association (USPCA) is a non-profit 501 (3c) association that provides training and certifications for federal, state, and local law enforcement K-9 programs. This event is FREE to the community and will provide an excellent opportunity for all to come out and watch the professionalism of the participating law enforcement K-9 teams. To make this event a success, the USPCA is respectfully requesting your financial support. All sponsors of this event will have their company information displayed in our full color program that will be distributed to all attendees and to those in attendance at the national demonstration on Thursday, September 29th.

I wish to make you aware that K-9 Officer Chris Gerace has been chosen as the national chairman and can be contacted with questions at 609-685-2771 or by email at cgerace@gtpolice.com. Thank you in advance for your support!

Respectfully,
