Gloucester Premium Outlets Celebrate Grand Opening!

Mayor David Mayer, other government officials, and members of the Simon company team cut the ribbon signifying the opening of the Gloucester Premium Outlets at Gloucester Township, between Route 42 and the Black Horse Pike. The Opening weekend drew massive crowds coming to see the finished project and join in the celebration. There will also be additional commercial development on the pad sites in the near future.

A Message from Mayor David Mayer

I am excited to bring you the Fall newsletter on the heels of a very busy summer season! Gloucester Township was very excited to open the largest economic development project in the history of our town, the Gloucester Premium Outlets at Gloucester Township, on August 13th. This was a special day for our community and the start of future economic development and job growth as we continue to attract new businesses.

I also want to thank our residents for their cooperation and support after the damaging storm of June 23rd. It was through this cooperation and the tremendous effort of our Public Works Department, Police Department, Construction Office and our Office of Emergency Management, that we were able to recover as quickly as we did.

The Fall will bring more excitement to Gloucester Township as we dedicate our newest Veterans monument at Community Park on September 19th, host another induction of citizen volunteers at our Citizens Appreciation Park on October 3rd, sponsor our Trunk or Treat event on October 23rd and of course, our annual Pumpkin Festival on October 4. Those are just a few of the many special events planned.

As always, please contact me should you feel I can be of any assistance. I look forward to another festive Fall here in Gloucester Township and am honored to serve you as Mayor.

Sincerely,
David Mayer

POLICE DEPARTMENT NEWS

Autism/Development Disability Registration

The Gloucester Township Police Department has created a registry for individuals with Autism or disabilities in efforts to give police quick access in an emergency to critical information about a person who is registered. The registry can provide police with emergency contact information, detailed physical descriptions, known routines, favorite attractions or special needs of an individual with Autism Disorder or other disabilities such as: Alzheimer's, Dementia, Down Syndrome or any other endangered individuals. This information can greatly assist police officers when time is essential in communicating and dealing with an emergency situation involving a person with Autism Disorder as well as other disabilities.

The registration form asks for valuable information that police may need when helping individuals with Autism Disorder or any other disability. We ask that all questions be filled out completely and a current photograph be provided. If you are unable to supply a photograph, we can take one for you. The information you provide is confidential and will only be used by law enforcement.

Please contact the GTPD Community Relations Bureau at communityrelations@gtpolice.com or call 856-374-3513 with any questions. Forms can be downloaded at: <http://www.gtpolice.com/programs/autism-development-disability-registration/>. Completed forms may be turned into our police officers, e-mailed, or taken directly to the GTPD Community Relations Bureau.

Gloucester Township Police Partner with the Center for Family Services

Over the summer, the Gloucester Township Police Department has entered into a partnership with the Center for Family Services to further assist the residents of our town by creating a Community Connections Family Success Center at the Family Resource Center located at 1324 Little Gloucester Rd., Blackwood, NJ. Center for Family Services is committed to changing the odds for children and families across southern New Jersey. They offer several programs focused on supporting and empowering individuals, families, and communities to achieve a better life through vision, hope, and strength. CFS staffs the Family Success Center throughout the week holding seminars and workshops for Township. All of the program and activities are free of charge but they do encourage participants to pre-register for events as space is limited.

Just recently, they held a resume building workshop to assist residents with drafting their resumes in preparation for several job opportunities at the new Gloucester Outlets. They had several attendees stop in to create professional looking resumes to give them a leg up in the search for a new job.

The Center also offers a homework help where local children can come and have a staff member assist them in completing their homework assignments after school. They have also held several family dinners which are every other Thursday night between 4:00 pm and 6:00 pm.

The CFS publishes a calendar of events and classes taking place at the Family Resource Center each month. The event calendar will be posted on the Gloucester Township Police website and Facebook Page as well as the Family Resource Center Facebook page. The calendar on the Gloucester Township Police Website can be viewed at <http://www.glotwp.com/calendar/index.html>. The calendar will also be located on the Center of Family Services Website <http://www.centerffs.org/sites/default/files/CCFSC%20August%20Calendar.pdf> under the services tab. School Bus Safety

Taking the bus for the first time is a big step for your child. Help your kids get a gold star in bus safety by following these tips.

The Hard Facts

School buses are the safest mode of motorized transportation for getting children to and from school, but injuries can occur if kids are not careful and aware when getting on and off the bus.

Top Tips

- Walk with your kids to the bus stop and wait with them until it arrives. Tell kids to stand at least three giant steps back from the curb as the bus approaches and board the bus one at a time.
- Teach kids to wait for the bus to come to a complete stop before getting off and never to walk behind the bus.
- If your child needs to cross the street after exiting the bus, he or she should take five giant steps in front of the bus, make eye contact with the bus driver and cross when the driver indicates it's safe. Teach kids to look left, right and left again before crossing the street.
- Instruct younger kids to use handrails when boarding or exiting the bus. Be careful of straps or drawstrings that could get caught in the door. If your children drop something, they should tell the bus driver and make sure the bus driver is able to see them before they pick it up.
- Drivers should always follow the speed limit and slow down in school zones and near bus stops. Remember to stay alert and look for kids who may be trying to get to or from the school bus.
- Slow down and stop if you're driving near a school bus that is flashing yellow or red lights. This means the bus is either preparing to stop (yellow) or already stopped (red), and children are getting on or off.
