**LIC. NAME: APPLE NEW JERSEY LLC - GLOUCESTER TOWNSHIP II**
**Docket No. 10-16-677 Job No. 120655**

Dear Petitioner:

Enclosed please find a Special Ruling to permit consideration of a renewal application for the above-referenced inactive license pursuant to N.J.S.A. 33:1-12.39. As noted in the enclosed document, this Ruling merely determined that good cause exists for the issuing authority to consider your application. It is now within the purview of the local issuing authority to either grant or deny your renewal application in the reasonable exercise of its discretion.

**Be advised that if your license is merely inactive and is sited at a premises, in order to activate this license** during any of the license terms referenced above, you are required to file an amendment to your license application pursuant to N.J.A.C. 13:2-2.14. To properly file the amendment, pages 1, 2, and 11 of the 12 page license application must be filed with the local issuing authority not more than 10 days prior to, or 10 days after, opening the business. The local issuing authority will then present you with a current license certificate which must be prominently displayed where it can be readily seen by customers. N.J.A.C. 13:2-23.13(a)1.

**However, if your license is a "pocket license," (a license not sited at a premises) and you wish to activate your license at a premises** during any of the license terms referenced above, you must file a full 12-page application transferring the license from "pocket" status to the intended premises. Please contact your local issuing authority to comply with all requirements regarding the transfer.

I suggest that you contact the local issuing authority immediately to determine what steps are necessary to complete your license application renewal process.

The petitioner or licensee has filed a verified petition requesting authorization for the local issuing authority to consider a renewal application for License No. 0415-33-027-010 for the 2016-2017, 2017-2018, 2018-2019 and 2019-2020 license term(s) pursuant to the provisions of N.J.S.A. 33:1-12.39.

I have reviewed the petition filed in this matter and have considered all the facts and circumstances related to the inactive status of this license. Accordingly, the municipal issuing authority is hereby authorized to consider the application for renewal of the subject license for the 2016-2017, 2017-2018, 2018-2019 and 2019-2020 license term(s) and to thereupon grant or deny said application in the reasonable exercise of its discretion. This authorization does not abrogate the licensee's obligation to timely submit the license renewal application and requisite fees prior to any consideration of renewal, including obtaining a tax clearance.
