Mr. Mercado stated that there will be two additional resolutions on the agenda this evening. R-17:05-144 and R-17:05-145 deal with playground equipment at both the State Street Park and Brittany Woods.

**PUBLIC PORTION:**

Mr. Mercado opened the public portion.

Mr. Radisch asked about the backyard chicken ordinance and the fact that the ordinance stated that there is no selling of the eggs. He asked why this was in the ordinance. Mr. Carlamere stated that our ordinance mirrors other municipalities and this issue is something that was a hallmark of the ordinance. H stated that he would like to be able to buy eggs from his neighbor who has backyard chickens. He also asked about the tennis court resurfacing and asked what courts this would cover. It was stated that this would be for the courts on Little Gloucester Road and the courts that back up to Lampost Lane in the Broadmoor section.

Carol Orzechowski stated that she has done some additional research on the chicken issue. She stated that she believes the homeowner should have a 6 foot fence surrounding the yard. She stated that she brought to the meeting a list of the diseases that could be spread through the chickens. She also asked if any studies have been done on this issue. Mr. Mercado stated that no one had any problems and a study was not needed. He stated that council put this ordinance on the agenda to move forward. Mrs. Orzechowski also stated that she does not feel that there has been enough comments on the lot sizes. She stated that she feels they should be on a lot bigger than the average 125 x 75 size lot. Mrs. Trotto stated that she called the CDC about this, and they felt that the health issue is more geared to those who own the chickens, not being a neighbor. There being no comment, the public portion was closed.
