**PUBLIC PORTION:**

Mr. Mercado opened the public portion.

Pete Heinbaugh stated that he had various questions on the energy aggregation. He reiterated the general concept of third party suppliers. He stated that they don't generate or distribute electricity, they trade it. They don't add to the supply chain. Mr. Heinbaugh questioned how this model is sustainable after a long period of time. Mr. Mercado stated that each homeowner should realize an annual savings of \$81.00. Mr. Mercado stated that this will give the residents the opportunity to save money. Mr. Cardis explained how the program worked. He stated that there will always be a savings for those that participate in the program. Mr. Heinbaugh asked if the residents could opt out of the program. He also questioned if the person is eligible if they are on the budget program. Mr. Mercado stated that there will be meetings to better educate the residents.

Joanne Carr of Timberbirch questioned how the township will get the word out about the aggregation to those that do not have a computer. Mr. Mercado stated that it would be in the township newsletter. Joanne Carr also spoke about the school system and their ratings. She spoke about school funding and busing, both for public school students and those that go to Catholic Schools. She also stated that she would like to see that everything is equal for everyone and would like council's support.

Lynn Rosner of Camden County Health and Human Services thanked the Mayor and Council for this Ordinance for a smoke free township. She stated that once the ordinance is passed the township would be eligible for free signs. She stated that now 16 out of the 37 towns in Camden County have gone smoke free.

Pete Heinbaugh asked if there will be a campaign to present the information on the aggregation to the public. He also asked who will be funding the meeting. He also questioned PAC donation.

Ms. Shaw asked when the next reading for the smoke ordinance will be. Mr. Mercado stated that the problem is with the employees and municipal court and where they would smoke. It was stated that the county will send the township information. It was stated that this should be on a meeting in July.

There being no further comment, the public portion was closed.
