# The Gloucester Township Field of Dreams

GT Field of Dreams is an organized baseball league for special needs children and adults which enables these children and adults to develop socialization skills and HAVE FUN by playing baseball at a field specifically designed for them. It is located at 247 Little Gloucester Road in Valleybrook. Every child and adult, no matter his or her level of baseball talent, can participate in the Gloucester Township Field of Dreams!

Each game will typically last 60 minutes. The games are non-competitive in nature, with each player batting, running the bases, and scoring each inning. Volunteers called "Buddies" will be assigned to each individual to assist throughout the game. There are no losers, only winners with the scored tied at the end of each game. ## Public Works are utilizing video cameras to detect pipe damage

The Portable Video Inspection Unit is used by Public Works employees to inspect the inside of the storm water pipes, as small as 8 inches wide! This piece of equipment lets them see if there are any issues inside a pipe without sending an employee into a possible dangerous situation. Sewer Repair crew can then determine if and what is wrong with the pipework, prioritize the severity of the damage, and schedule corrective work accordingly. The benefits of this kind of inspection are numerous: from efficient maintenance of the systems to preventing potholes and sinkholes in the street!

# New Ordinance in Affect

The Gloucester Township Police Department would like to advise our residents of an amended local ordinance (L.O. 81-35) which has taken effect regarding parking vehicles in business parking lots. The four parking lots that were added to this ordinance are all located along Blackwood Clementon Rd. They are Commerce Square I and II (TD Bank Lot), Commerce Square III (Former Superfresh Lot), 1370 Blackwood Clementon Rd, and 1468 Blackwood Clementon Rd (Cherrywood Shopping Center). It is prohibited to park a vehicle over 3 tons GVW at any time in these lots (deliveries to the shopping center excluded).

It is also prohibited to park vehicles, boats, or trailers with the intent to display "For Sale" at any time. Signage has been installed at these locations which indicates that violators are subject to a fine up to \$1000.00 and towing of the vehicle at the owners expense.

This ordinance along with many others, is yet another way of decreasing crime throughout Gloucester Township and showing the criminal element that we care about our community and want to keep it clean and vibrant!

All local ordinances can be viewed on the Gloucester Township website at [www.glotwp.com](http://www.glotwp.com). The new ordinance can be found under the "downloads" tab.
