Mayor Mayer and Council welcome players and buddies on the GT Field of Dreams!

It was a warm spring day on April 29th when The Gloucester Township Field of Dreams opened its bases to the players and buddies of this special Baseball league. Over 30 players got a chance to catch and throw the ball and enjoy the support of the cheering crowd. Mayor Mayer, Council and everyone who attended were touched by the great teamwork between players and buddies and commitment of volunteers to help the best they could. "With the Field of Dreams opened, every child and adult in our community and beyond no matter their baseball skills level has an opportunity to join in and play ball!" said Mayor David R. Mayer.

GT EMS moves to its new location in the Erial Section of Gloucester Township

Gloucester Township EMS is moving to a newly-renovated building in Erial section of Gloucester Township. The Department of Public Works designed the facility with efficiency in mind, and now our emergency services can enjoy LED lighting inside and outside the premises as well as high-efficiency heating and air-conditioning systems. The GT EMS's mission statement is "to provide prompt, effective and unimpeded service to all residents and visitors of Gloucester Township;" the Mayor and Council thank them for their service and hope the new facility will be a positive contribution to the overall success of our GT EMS!
