Get ready for a big splash next weekend!

Bike-Share Kiosk will soon be available to residents of Gloucester Township!

The installation of a new bike-share kiosk is underway with 10 bicycles soon being available at West Church Street and Railroad Avenue (across from the Caboose) dusk till dawn, 365 days a year. The station location was selected based on proximity to community infrastructure resources such as park trail, parking, and easy accessibility and will feature a Bluetooth lock module kiosk. Residents will sign-up with the administrator via Rider App and will be given a code to unlock a bicycle, which will be free of charge!

Gloucester Township's Relay for Life

The American Cancer Society Relay for Life of Gloucester Township is returning to Veterans Park for its eight year! This event has become a tradition in our community, and thanks to your support, we've raised more than \$500,000 since 2010! Relay for Life events celebrate cancer survivors, remember those lost, and offer opportunities to fight back by supporting cancer research and patient services. In addition to activities and ceremonies for those touched by cancer, Relay of Gloucester Township creates an atmosphere of warmth and understanding that all community members can appreciate: music, live entertainment, contests, food, games, and fun! We'd love for you to be apart of the event! [CLICK HERE](#) to learn more and register today!
