GT Graduates. What's next?

Find out the ambitious plans of Class of 2017

Congratulations, Class of 2017!

It is that bittersweet time of year as high school seniors walk down the hall for their very last time. It is a goodbye to their teachers, friends, and life as they have known it for the past four years; however, their journey is only beginning. Our community is proud of the Class of 2017 as they throw their caps and look to the future.

This year the three high schools of Gloucester Township are proud to congratulate 923 students on receiving their diplomas and moving on to the next chapter of their lives. On average 83% of graduates from each school will be pursuing higher degrees at 2 or 4 year colleges; while the remaining alumni are heading towards trade schools, the military, or the work force. Over \$36,000,000 in 2 and 4 year college scholarships have been awarded to our seniors from schools such as St. Joseph's University, George Washington University, Stockton University, Lehigh University, the University of California along with many others.

Mayor David Mayer and Township Council recognize today's graduates and congratulate tomorrow's leaders on such an important milestone in their lives and wish them luck in all of their future endeavors!

Attention Taco Bell Lovers!

The Township is proud to announce yet another economic development project coming to Gloucester Township.

A brand new Taco Bell is being built in the Sicklerville section of the Township. The property is located on the southwest corner of Berlin Cross Keys and Williamstown Roads. Aside from the traditional inside dining area and drive through, the new Taco Bell will also feature an outdoor sitting area which can be enjoyed during the warmer months.

This new restaurant is not only expected to promote the physical development of the community, but also impact economic opportunities in Gloucester Township. *Please see the proposed renderings of the new Taco Bell.*

Mainstage presents Grease!

Mainstage Center for the Arts presents its annual summer Mainstage production, Grease. This rollicking musical evokes the look and sound of the 1950s with Rydell High's senior class of 1959's duck-tailed, hot-rodding "T-Birds" and their gum-snapping, hip-shaking "Pink Ladies."

An 8-year run on Broadway and two subsequent revivals place Grease among the world's most popular musicals. Grease, runs July 23, 29, and 30, 7:30 pm and July 24, 2 p.m. in the Dennis Flyer Theatre at Camden County College.

"A lively and funny musical-as well as the dancingest one in town. It's a winner [...] the songs are dandies [that portray] the early rockers with zip and charm. The sheer energy of Grease carries all before it." – New York Daily News.

For more information or to purchase tickets to any of Mainstage's shows this summer, please visit www.mainstage.org or call (856) 227-3091.

CONGRATULATIONS, GRADUATES!

Mayor Mayer and Council congratulate all of the 2017 graduates on their well-deserved success and wish everyone luck in their future endeavors. Enjoy this moment and congratulations!
