Junior Police Academy Gives Back to the Community

This past Tuesday, the cadets of the Junior Police Academy learned the importance of giving back to the community. The Cadets did community service at Larc School, a facility for students and young adults with varying disabilities. The school provides opportunities for growth, development and most importantly, independence, for its students.

The Gloucester Township Junior Police Cadets helped to spruce up the Larc School's gardens and got the opportunity to interact with children their own age that have special needs.

Join our Team: the GTCrusaders!

Would you like to join the movement to end T1D? Join us at Camden County College on Sunday, October 22nd for the JDRF One Walk. "Serving as the Corporate Chair for the 2017 JDRF One Walk, it is my honor to invite you to create your own team or to join ours, the GTCrusaders, to raise awareness and funds for the Juvenile Diabetes Foundation. Our team is walking to create a world without Type 1 Diabetes!" stated Mayor David R. Mayer.

According to jdrf.org, Type 1 diabetes (T1D) is an autoimmune disease in which a person's pancreas stops producing insulin, a hormone people need to get energy from food. T1D strikes both children and adults at any age and suddenly. Its onset has nothing to do with diet or lifestyle. Though T1D's causes are not yet entirely understood, scientists believe that both genetic factors and environmental triggers play a role. There is currently nothing you can do to prevent Type 1 Diabetes, and there is no cure.

UPDATE ON THE NEW TACO BELL!

Gloucester Township residents will soon be able to enjoy tacos at a brand new location in the Sicklerville section of the Township. Progress at the new Taco Bell in front of the Acme at the intersection of Berlin Cross Keys Road is coming along great! The new Taco Bell will open its doors to its first customers before we know it.

Serving more than 6 billion customers a year at almost 7,000 locations, Taco Bell is one of the leaders in the fast food industry. The first Taco Bell opened in Downey, California in 1962. If you think \$1 for a taco is cheap, you would've been impressed by their tacos and burritos that sold for just 19 cents a piece in the fast food restaurant's early days. The very first Taco Bell was actually an outdoor hangout where people could enjoy their tacos while listening to live entertainment. (acc. to entrepreneur.com) The new Taco Bell will also feature an outdoor patio that residents will be able to enjoy in the warmer months. This new fast food restaurant is expected to be a great addition to Gloucester Township!

Family Fun Night at First Presbyterian Church

Come out on Saturday, August 19th at 7:00 PM for this free event! There will be outdoor games, arts & crafts, face painting, snacks, and an outdoor movie under the stars. Bring your blankets and chairs and join the fun!
