The 26th Annual Blackwood Pumpkin Festival this past weekend, sponsored by Mainstage Center for the Arts, was a huge success as thousands of residents came out to enjoy food, games, music, shopping among 200 vendors, four stages of entertainment, pumpkin painting, hayrides, scarecrow making, bounce houses, a pumpkin carving contest, and much more!

For the first time in the festival's history, the Black Horse Pike was closed from the intersection of Church Road through Lake Avenue. If you missed this fun-filled, family event, we hope to see you there next year!

LIDL Supermarket Approved Last Week

“High quality. Low prices. Hassle-free shopping that gets you in and out. A product assortment and store layout that’s refreshingly simple, yet full of surprises to discover at every visit. Lidl is not your cookie-cutter grocery store. We’re revolutionizing grocery shopping. We have a less complicated process that allows us to simply deliver low prices, high quality, and the best shopping experience for our customers,” according to Lidl. The first modern Lidl store opened in Ludwigshafen, Germany in 1973. The chain began expanding outside

of Germany in the 1990’s. Lidl Supermarket is now making its way to Gloucester Township! Residents will soon be able to experience this German discount supermarket that is known for offering high quality products. The Lidl Grocery Store will be located on Berlin Cross Keys Road at the former Nike Missile Site and will sit on 4.71 acres of Township owned property. Mayor Mayer and Gloucester Township are excited to welcome this new grocery store chain to our Township!
