GLOUCESTER TOWNSHIP *MLK Day of Service 2018*

On Monday, January 15th, Gloucester Township will celebrate Martin Luther King Jr. Day with our annual Day of Service. As Dr. King once said, "Life's most persistent and urgent question is: "What are you doing for others?" Be a part of this fun and worthwhile event that will have a lasting impact on our entire community.

Volunteers will report to Charles W. Lewis Middle School where registration and a continental breakfast will take place. There will also be a brief program and presentation before volunteers report to the various service projects throughout the Township.

Those interested in volunteering can preregister at www.GloTwp.com, or register on the day of the event at C. W. Lewis School. Please note that on the day of the event project availability will be limited.

Erial School Students Brighten Senior's Day

Fifteen students from Erial Elementary School formed an after school volunteer group in the hopes of helping people in their community. These students are under supervision of Kelly Hoskins, a teacher at Erial Elementary School. One of their most recent projects was for the Hider Lane Senior Club. The students worked on fall themed crafts earlier in the year, and followed up with holiday and winter themed crafts. The students also organized a donation drive for the seniors of the Hider Lane Senior Club.

These items were chosen by the students, and it was up to them to reach out to people for donations. The list of items donated included chapstick, adult slipper socks, gloves, hats, decks of cards, simple crafts, mittens, scarves, adult coloring books, colored pencils, and Sudoku Word Find books. The 15 Erial Students in charge of this service project should be proud knowing that their goal was achieved-- they helped out their community and brightened many seniors' days!

SNOW DAY

Mayor David R. Mayer and Gloucester Township employees want to thank everyone for their help and cooperation during recent snow and ice storms.

The Miracle Worker Comes to Mainstage

“At the beginning, I was only a little mass of possibilities. It was my teacher, Annie Sullivan, who unfolded and developed them. When she came, everything about me breathed of love and joy and was full of meaning.” - Helen Keller.
Playwright William Gibson captured the way Anne Sullivan brought meaning to Helen Keller’s dark, silent world in *The Miracle Worker*.

Mainstage Center for the Arts (MCA) will be performing the true, inspirational tale of *The Miracle Worker* from February 2nd to the 10th. The Perry-Award winning director Majorie Sokoloff came to Mainstage to direct this production.
