Kids Reach Out Too!

At the council meeting on Monday, February 12th, a group of students from Erial Elementary school were honored for giving back to their community.

These students, also known as "Kids Reach Out Too" Fifth Grade Service Club, organized a donation drive for seniors from the Hider Lane Senior Club with the help of their teacher, Kelly Hoskins. They collected new items including, chapstick, socks, playing cards, hats, gloves and scarves. The students also made holiday cards for the Hider Lane seniors.

This project was thought of by kids, organized by kids, and ran by kids.

The students who participated in this service project should be proud knowing that their goal was achieved--they helped out their community and brightened many seniors' days!

Mayor David Mayer and Council extend their congratulations to all of the students that were honored for their outstanding service: Qua-Vear Anderson, Samiyah Nelson, Giovanni Mead, Dino Pettinelli, Jada Carter, Ashley Haynes, Nicholle Green, Rylie Morris, Mackenzie Crosier, Brooke Crumpler, Logan Pacheco, Jada Britt, and Riley Kenny.

GTPD Helps Reunite Lost Pets With Their Owners

In the late fall of 2017, the Gloucester Township Police Department created a new lost and found dog initiative to help residents' furry friends safely return home. Under this initiative, all GTPD Marked Police Units are now equipped with pet leashes and dog treats that they can provide to a found pet. They are also encouraging residents to visit their website and post their lost pet. The GTPD keeps an active log if lost and/or found pets to help unite the pet with its owner.

Not only did they create an initiative to help reunite lost pets with their owners, but the GTPD also developed a training program to educate officers on how to deal with potentially aggressive dogs. This is facilitated through the use of a robot training dog. A brief video of the training dog can be viewed [here](#).
