FOX 29 VISITS GLOUCESTER TOWNSHIP

On Monday, March 5th, Jenn Frederick from Fox 29 paid a visit to Gloucester Township. Jenn broadcasted live from the Lamp Post Diner for her first installment of "Jennie on your Block," where she highlighted the best of our Township. Mayor David Mayer, Gloucester Township Police Officers, students, school officials, and residents stopped by to showcase what makes Gloucester Township so special. Thanks to everyone who came out during the live broadcast!

Outlets Kickstarted Economic Development in GT

Gloucester Township's Mayor David Mayer says the Gloucester Premium Outlets, which opened three years ago, have spurred a good deal of positive attention for the town. "That project created about 300 construction jobs and 600 retail jobs, and it's been positive for those employed and for residents of the community. It's brought people in to spend money, which is good for the local economy," Mayer says. The outlets have been a launching pad for other developments as well. Plans have been approved and construction for a Maryland-based Royal Farms will start soon. Along that same corridor of Blackwood Clementon Road,

a new Republic Bank is under construction and the European grocery store chain Lidl will open. A Holiday Inn Express is coming to the corner of Black Horse Pike and Lower Landing Road, and off Williamstown Erial Road, a two-story, 58-unit assisted living community, All American Assisted Living, at Lakeside Business Park, will bring a variety of amenities and care facilities for elder care. Gloucester Township is also home to Founder's Grove, a new private estate wedding and event venue on Evesham Road. Read the full article in the latest edition of *South Jersey Biz*.

WINTER STORM QUINN

Mayor David Mayer and Gloucester Township employees would like to thank everyone for their cooperation and patience during Wednesday's nor'easter. Following the conclusion of Winter Storm Quinn yesterday evening, Public Works employees began plowing the roads and will continue to work on them until all neighborhoods and Township streets are clear.

Due to reported power outages the Gloucester Township Police Department has stationed their Community Outreach Truck at Somerdale Road and Eaton Place by Timberbirch Development today. Residents can charge cell phones and other electronics in the truck. PSE&G is working tirelessly to restore power in the area.
