Brittany Woods Clean-Up

"Together We Are Better"

The *Brittany Woods Community Action Group*, founded by Carolyn Grace and Shirley Johnson, held a Neighborhood Clean-Up in their development, Brittany Woods, on Saturday, May 5th. Residents were joined by Mayor David Mayer, Council and the Gloucester Township Police Department as they picked up litter, raked their lawns, and replaced damaged mail boxes in an effort to spruce up their neighborhood.

Huge thanks to everyone who participated in the clean-up last weekend. Gloucester Township commends residents such as those who are a part of the *Brittany Woods Community Action Group* for making Gloucester Township an even better place to live!

WE UNITE FOR SAFETY RALLY

Students from Black Horse Pike Regional School District held a Safety Rally at Veterans Park on Sunday, May 6th. Student representatives from Highland, Timber Creek, and Triton High Schools organized the event which included a march, food, and live entertainment.

Highland Regional High School Class President, Dan Walker, said that the survivors from the Parkland school shooting are proof that chan-

ge is possible, "if we unite." "They started the change we need. We do this for them. They started the movement and it's essential that we keep the movement going."

Sunday's event was just another effort made by students to push for change that they believe is necessary when it comes to gun laws and school safety.

Mayor Mayer discussed how safety of students is a priority for both the police department and the school districts, and praised the students in their efforts.
