Gloucester Township Introduces GTWheels in Partnership with Camden County

Gloucester Township, in partnership with Camden County and Cross County Connection TMA, is excited to introduce the GTWheels Sustainable Bike Library. GTWheels is an innovative concept in Gloucester Township where volunteers will repair donated or recovered bicycles and offer them to the public for no cost. Residents will be able to borrow a refurbished bike from their municipal distribution center located at the Lakeland Complex, and then return it when they are done using it if they'd like. This program will provide residents with a fun, healthy, free and green form of recreation and transportation.

"The health and wellbeing of our residents is a huge priority in Gloucester Township. Last summer, we brought you GT Bike Share, a free bike kiosk service located along-

GTWheels Sustainable Bike Library

side our health and fitness trail. This service was such a success, that we decided to partner with the County and take on this new bike initiative in order to get even more people out of their house and riding. Today, we bring you GTWheels Sustainable Bike Library which operates on donated bikes which residents can use. The difference between the two is that with GTWheels, all of the bikes are recycled or refurbished and you actually get to bring the bikes home! This volunteer-run program is completely free for residents and will operate at no cost to the Township,” said Mayor David Mayer. In order to obtain a bicycle from the GTWheels Sustainable Bike Library, Gloucester Township

residents will simply fill out an on-line membership form, visit the distribution center with identification and proof of residency, sign two documents: a liability waiver and a policy and procedures form, and then pick out a bike that best suits them! Bikes range in size to accommodate both children and adults, and helmets are also available upon request. Borrowing can be for a short or an extended period of time—as long as the participant continues to ride!

“GTWheels will be the fourth and largest local Bike Library program established through the County. We wish them success and hope that the model established here in Gloucester Township will inspire other communities in the County to create similar programs of their own,” says Camden County Freeholder, Jeff Nash.

“Cross County Connection TMA is proud to have partnered with Camden County and Glou-

cester Township to open the GTWheels Sustainable Bike Library. As an organization dedicated to reducing congestion and improving air quality, we applaud Gloucester Township’s effort to expand residents’ access to bicycles, an environmentally friendly mode of transportation. We hope to assist Camden County’s BikeShare program with establishing additional Sustainable BikeShare libraries in the future,” said Executive Director of Cross County Connection TMA, Bill Ragozine.

REGISTER FOR SUMMER STAGE'S CHILDREN'S THEATRE

Be part of the enchanting world of Mainstage Center for the Arts' Summer Stage. Audition for its 30th Anniversary Children's Theatre season. Auditions for children entering sixth through twelfth grades for the productions of *The Little Mermaid, Jr.*, *Camp Rock, Jr.*; and *Mary Poppins, Jr.* will take place June 11th, 12th, and 13th at 6:30 p.m. at Lincoln Hall at Camden County College.

Each participant will receive everything they need at the auditions, but they must have previously registered for Summer Stage's seven-week Children's Theatre camp or register on the evening of the auditions. The auditions are done in a supportive and caring atmosphere. Everyone who registers receives the opportunity to perform in one of the shows, plus the final musical revue at the end of the season. No child is eliminated.

For more information on Summer Stage and all Mainstage Center for the Arts programs, visit www.mainstage.org or call (856) 302-6485.

#RED NOSE DAY

Red Nose Day initially began in 1988, however, it was launched in the United States in 2015. Within three years, \$100 million has been raised to help impoverished children. Globally over \$1 billion has been raised and the movement continues to grow. The money raised from buying red nose day merchandise goes to projects throughout the country and world that keep youth safe, healthy, educated and empowered. The Gloucester Township Police Department spread the word and raise awareness for Red Nose Day by sporting their red noses on Thursday, May 24th.

HOLIDAY TRASH COLLECTION SCHEDULE

Due to the holiday, trash and brush will not be collected on Monday, May 28th. Trash collection will resume on Tuesday, May 29th. If your scheduled trash day is Monday, you may put your trash out on Tuesday.

GT DAY 2018
