**REPUBLIC
BANK**

Groundbreaking of Republic Bank on Blackwood Clementon Rd

On Wednesday, June 6th, Mayor David Mayer attended the groundbreaking for the new Republic Bank coming to Blackwood Clementon Road.

Republic Bank is a Philadelphia-based company that was founded in 1988. For the first 20 years, Republic's primary offering was commercial banking services. In 2008, they redirected their efforts toward retail banking. Today, Republic Bank is moving towards creating a major commercial and retail bank with a distinct brand.

Republic Bank prides themselves on their convenience and customer service and we are thrilled to welcome this reputable company to Gloucester Township!

GTEMS AWARENESS T-SHIRT *project*

As a growing EMS agency, we are always looking for ways to demonstrate that our agency is conscious of and concerned about our residents and workers who are touched by serious and difficult situations each day. We are frequently brought into the homes and workplaces of those who deal with these struggles. In recognition of this, a group of our employees came forward with the idea to make and sell T-shirts that reflect our empathy for these residents and workers and to heighten the community's awareness of the issues. All profits from the T-Shirt sales from each campaign will be donated to a specific organization that benefits the residents and/or workers of Gloucester Township each month. Our hope is to raise awareness of the daily struggles that exist in our community and let everyone know we are here for them. If interested in purchasing a t-shirt, please contact GTEMS at info@gtems.org.
