iCan Bike, a Bike Camp for individuals with disabilities, is coming to Gloucester Township!

JUNE 25 - JUNE 29

HOW IT WORKS

From June 25th through June 29th, iCan Shine's iCan Bike program will be in Gloucester Township to teach individuals with disabilities how to ride a conventional bike and become a lifelong independent rider! iCan Bike uses a fleet of adapted bicycles, a specialized instructional program and a trained staff to teach these individuals how to ride a bike. Riders attend the same 75-minute session each day for five consecutive days where they are physically assisted and encouraged by two volunteer "spotters."

HOW TO REGISTER

iCan Bike riders are children ages 8 and older, teens, and adults who have a diagnosed disability but are able to walk without assistive devices and can sidestep from side to side.

To learn more about how to participate as a rider, you can email iCanBikeNJ@yahoo.com

HOW YOU CAN HELP

Interested in being a Spotter or Sponsor?

Be a "spotter" and experience the thrill of giving the gift of riding a bike! It just may be the most rewarding and emotional experience you've ever had! Don't have time to be a spotter but still want to support this endeavor? Contact our Camp Directors to sponsor a Bike Camp.

To volunteer to be either spotter or a sponsor, email iCanBikeNJ@yahoo.com or call Caroline at 484-880-9667.
