## Motor Coach Industries Celebrates **85** Years!

On Thursday, July 19th, Mayor David Mayer visited MCI (Motor Coach Industries) to celebrate their 85th year of quality customer service and model innovations.

"I am honored to be speaking today at the 85th birthday celebration for Motor Coach Industries. MCI's goals include focusing on lean-diesel engines with near-zero emissions, fuel savings, and hybrid models. Gloucester Township is proud to work alongside MCI to maintain sustainability in our community by using resources in the most beneficial way," said Mayor Mayer.

MCI was founded by Harry Zoltok in Canada. In 1933, Harry introduced his first vehicle design, an 11-passenger body on a Packard chassis, sketched for his workers on the factory floor. It was that moment that the company known previously as Fort Garry Motor Body and Paint Works Limited began a journey of growth and innovation. Thirty years later, the company expanded branches across the United States, which eventually led to a branch right here in Gloucester Township.

Today, MCI is the leader in design, manufacturing, and marketing of coaches and coach related parts and services for the North American market. They are also the builder of two of the industry's best-selling coach models.

We are very proud to have this multinational company in our Township and wish them many more years of success!

# The "Practically Perfect" Mary Poppins Takes the Stage With Mainstage

In Mary Poppins, Jr, the jack-of-all trades, Bert (Ryan McDermott of Gloucester Township), introduces us to England in 1910 and the troubled Banks family. George Banks (Chase Catling of Gloucester Township) and his wife Winnifred (Lily Kent of Medford) are at a loss as to how to properly raise their children in a society that expects them to live up to a particular status. Young Jane (Claire Corriveau of Plainsboro) and Michael (Damon Collins of Stratford) have sent many a nanny packing be-

for Mary Poppins (Madison Maiorini of Marlton) arrives on their doorstep. Using a combination of magic and common sense, she must teach the family members how to value each other again.

This production runs July 25-27 at Camden County College's Dennis Flyer Theater. It is sponsored by McGuinness Funeral Home, Precision Power Wash, Ryan Banskys Expert Tree Service, and GLS Painters. Click below to purchase tickets for the show!
