GLOUCESTER TOWNSHIP SUPPORTS INTERNATIONAL OVERDOSE AWARENESS DAY

International Overdose Awareness Day is a global event held on August 31st every year. This day aims to raise awareness of overdose and drug-related death. It also acknowledges the grief felt by families and friends remembering those they have lost as a result of a drug overdose. International Overdose Awareness Day spreads the message that the tragedy of overdose is preventable.

Gloucester Township employees wore purple and participated in a casual jean day to spread awareness and raise money for the Gloucester Township Police Department Family Resource Center.

MEET OUR HONORARY MAYORS FOR THE DAY

Brenna Soltys is an incoming 3rd grader at Union Valley. She won the Mayor's Young Student Alliance Poster Contest for creating a poster that showed what she would do if she was mayor--plant more trees and clean up litter. She enjoyed her day as Mayor, especially when Officer Centrone showed her the various police vehicles.

Colby Olson an incoming 4th grader at Union Valley. Colby's poster showcased how the Mayor can help people in need, specifically the poor. Colby's highlight of the day was sitting in the Judge's chair at Municipal Court.

Incoming Glen Landing 6th grader, Elena Hicken won the Mayor's contest by creating a poster that said if she was mayor, she would implement more housing for homeless people. During her tour of the Municipal Hall, Elena got the opportunity to sit in the dispatch room while the operators answered calls. She thought this was the most exciting part of her day.

Incoming 8th grader at Mullen Middle School, Ilana Lindquist has a passion for politics and government and she was able to sit in on the Public Works meeting on Tuesday. She was able to ask questions about the different jobs Public Works does and the process of hosting events in the Township. Ilana then got sworn in as Honorary Mayor and was taken on a tour of the Municipal Building.
