LOCAL BUSINESS SPOTLIGHT

Local Business Spotlight is a section in GTWorks that highlights local businesses throughout Gloucester Township. Its primary purpose is to promote local small businesses by giving the readers opportunity to get to know more about local eateries and services available to them in our beautiful Gloucester Township!

QUALITY & VALUE AT YOUR FINGERTIPS

Located right here in Gloucester Township is a large manufacturer, Revel Nail, a cosmetic company that produces high quality nail products, such as dip powder. Dip powder is a powder that is applied to the nails to achieve a gorgeous manicure. Instead of using UV rays to seal in the polish, the color comes from a pigmented powder.

Revel Nail was started by a chemical engineer and his wife five years ago. With previous locations in Turnersville and Westville, they recently relocated to Gloucester Township to open one centralized distribution center. Revel has 80 employees and distributes their products to local salons, as well as 45 different countries. They pride themselves on offering the best prices in the industry.
