SATURDAY DROP-OFF HOURS AT PUBLIC WORKS

The Public Works facility will be open on Saturdays through November 17th from 8:00 am - 2:00 pm for residential recycling drop-off. This will be for brush, oil, white goods, electronics, metals, concrete, propane tanks, and car batteries. They DO NOT accept paint or trash.

FALL LEAF COLLECTION BEGINS MONDAY!

Public Works will begin Leaf Collection on Monday, November 5th. Look for signs on the road. Don't Worry! If you miss your round, they will continue to collect until all leaves are picked up. To make this program a success, please adhere to the following:

- Try to keep all leaves unbagged at curbside. If you must use bags, please use paper bags only.
- Have all leaves curbside the weekend prior to your week. Do not rake leaves into the street if it will block traffic.
- Do not mix trash and broken branches with leaves. This clogs the machines and your leaves will not be picked up.
- Do not park any vehicles in front of leaves during your pick up week. They will not be picked up.

On Wednesday, October 31st, Gloucester Township municipal employees dressed up in celebration of the holiday. Happy Halloween from Mayor David Mayer and the rest of the Gloucester Township employees!

DRUG TAKE BACK DAY 2018

The Gloucester Township Police Department would like to thank our residents for participating in National Prescription Drug Take Back Day on Saturday, October 27th. With the help of our 24 hour drug drop-off boxes and the drug take back event we were able to properly dispose of 445 pounds of unused prescription medication that could have found its way to the streets. This is just one of many ways that our police department and the community of Gloucester Township partner to help reduce drug addiction.
