MAYOR'S YOUTH LEADERSHIP ALLIANCE

This Tuesday was the first meeting of the 2018-2019 Mayor's Youth Leadership Alliance. Mayor's Youth Leadership Alliance (MYLA) was created by Mayor David Mayer when he began his tenure as Mayor. The purpose of MYLA is to interconnect high school juniors and seniors with their community and municipal government. The program was designed to expose students to the different aspects and levels of government so that they become familiar with the different agencies that compose Gloucester Township's community. Each month, members have the opportunity to meet different government officials, learn what they do, and ask questions about their respective departments. Participating students are selected by the principal of each of the high schools.
