## MAYOR MAYER CUTS THE RIBBON FOR REVEL NAIL

On Thursday, December 6th, Mayor David Mayer cut the ribbon for Revel Nail, a large manufacturer located right here in Gloucester Township. Revel is a cosmetic company that produces high quality nail products, such as "dip powder." Dip powder is a powder that is applied to the nails to achieve a gorgeous manicure. Instead of using UV rays to seal in the polish, the color comes from a pigmented powder.

Revel Nail was started by chemical engineer, Phon Malone, and his wife, Keeli, five years ago. With previous locations in Turnersville and Westville, they recently relocated to Gloucester Township to open one centralized distribution center. Revel has 80 employees and distributes their products to local salons, as well as to 45 different countries.

Gloucester Township welcomes Revel to town and wishes them lots of luck and success in the new year.

# GTPD PARTICIPATES IN STATEWIDE CAMPAIGN

Beginning December 7, 2018 and continuing through January 1, 2019, the Gloucester Township Police Department will be cracking down on drivers impaired by alcohol or drugs as part of the annual end of year “Drive Sober or Get Pulled Over” statewide campaign. Officers will conduct marked and unmarked saturation patrols looking for motorists who may be driving while intoxicated.

The national “Drive Sober or Get Pulled Over” effort is designed to raise awareness about the dangers of impaired driving through a combination of high-visibility enforcement and public education. During the last five years, New Jersey has experienced nearly 38,000 alcohol involved crashes resulting in more than 700 fatalities. Last year, 20% of all motor vehicle fatalities in New Jersey were alcohol-related. This is a critical law enforcement program that can save lives during a time of the year when impaired driving traditionally increases by nearly 10%.

Nationally, more than 10,000 people die each year in drunk driving crashes. The societal cost associated with these crashes is estimated to be \$37 billion annually.

**The Gloucester Township Police Department offers the following advice for the holiday season:**

- Take mass transit, a taxicab, ask a sober friend to drive you home, or just spend the night
- If you see an impaired driver on the road, contact law enforcement immediately to report it
- Always buckle up, every ride. It’s your best defense against an impaired driver
- Be responsible. If someone you know is drinking, do not let that person get behind the wheel

During the holidays, and every day, please remember that drunk driving isn’t only illegal, it’s deadly. For more information about the Drive Sober or Get Pulled Over campaign, please click [HERE](#).
