WHY GLOUCESTER TOWNSHIP?

Find out!

Gloucester Township is establishing an Arts District along the Black Horse Pike in the downtown Blackwood section of our township and they want YOU to name it!

The Arts District aims to increase foot traffic on the northern end of Black Horse Pike. Mainstage Center for the Arts, Organic Salon & Apothecary Boutique: Mystic Ginger, and soon-to-open New-American artisan restaurant: Shana's Wild Fig have already found home in the Arts District. With the Gloucester Premium Outlets situated on the southern end of the pike, the goal is to attract people and new businesses to the north end; and what better way to do that than through the arts? The township hopes to attract art-centered businesses and more restaurants in order to get residents out and enjoying downtown Blackwood.

If you have a creative name for the Arts District in mind, please click on the link below to submit an entry. You will be entered for a chance to win a gift certificate to a local business!

DRIVE SOBER OR GET PULLED OVER THIS ST. PATRICK'S DAY!

St. Patrick's Day is widely celebrated by Americans—Irish and non-Irish alike. The festivities are filled with friends, family, and endless parties. Oftentimes, these parties end with drunk drivers who endanger America's roads. Drinking and driving accounts for nearly one-third of vehicle-related fatalities in the United States. This St. Patrick's Day, don't rely on the luck o' the Irish to get you home safely—refrain from drinking and driving. The Gloucester Township Police Department will be out patrolling this weekend. Do your part to drive sober and ensure that your friends do too!
