GLOUCESTER TOWNSHIP ARTS MARKET

On Sunday, May 19th, Gloucester Township hosted its very first Arts Market in the downtown Blackwood section of town. This event attracted both artists and residents who came out to enjoy food and music, while shopping and admiring local artwork.

Thank you to everyone who came out to the Gloucester Township Arts Market, a collaboration by Gloucester Township and local business, Mystic Ginger. Big thanks to the 30 amazing vendors that showcased their art and creative works at the market. We would also like to thank the food vendors, Just Fork It & Gene's Food Concessions, and the entertainment, Jake Falana & Brandon Borrelli, that helped make this event a success. We hope to see you all next year!

Gloucester Township Teen Starts Non-Profit To Help Her Struggling Peers

Abigail Buccilli is a resident of Gloucester Township and one of our 2019 Women's History Month award recipients. She is also Miss American Teenager 2019, a title that she earned from participating in Regional Pageant competitions. Abigail started her own non-profit organization, "Beyond My Past." Her mission is to help young people move on, whether it be from struggling with a learning disability, self-esteem issues, or family instability. "Beyond My Past" provides care packages to those struggling to encourage positive thoughts and feelings. "Beyond My Past" is a passion of Abigail's as she faces her own struggles as a teen. Her positive outlook allows Abigail to share her story and hopefully make an impact on others to have the courage to move forward and live a happier and healthier life.
