Hidden Lake Clean-Up

Join the GT Green Team for the Hidden Lake Clean-Up event on July 13th.

On Monday, June 24th, Mainstage Center For The Arts alumni returned to Gloucester Township to put on a show for its residents at Veterans Park. This concert was the first in the Sounds of Summer Concert Series brought to you by Gloucester Township and Mainstage Center for the Arts. Huge thanks to Megan Knight and Payton Taylor for a fabulous night filled with music and fun!

Thank you to everyone who came out to help us kick off the concert series! We hope to see you next Monday, same time and same place, for the Big Bleu Band.

Turn Around, Don't Drown!

A Message From the New Jersey Office of Emergency Management

A Flash Flood Watch means that there is the potential for flash flooding which can be *life-threatening*. Flash flooding happens when heavy rain is expected to occur over a short period of time. Rapidly rising flood waters may quickly inundate roadways. Streams and creeks could leave their banks, flooding nearby properties.

Please monitor the forecast, especially if you live in a location that is prone to flooding. Be prepared to take action if a flash flood warning is issued for your area.

Here are a few tips to stay safe:

- If your area is prone to flooding, take precautions such as moving cars to higher ground.
- Turn Around, Don't Drown! Even six inches of fast moving floodwater can knock you off your feet, and a depth of two feet will float your car! Never try to walk, bike or drive through flooded areas. Water may be deeper than you think!
- Do not attempt to drive over a flooded road. Obey traffic barriers. STOP! Turn around and go another way.
- Keep children from playing in floodwaters or near culverts and storm drains.

Hidden Lake Clean-Up

July 13 🦋 10 am - 12 pm

Join us for a Community Cleanup at Hidden Lake in Gloucester Township, where we will pick up trash along the roadside, then hike back to the "hidden lake" location. We will meet near the intersection of New Rd. and Little Mill Rd., and clean the trails of the old lake bottom. Bags, grabbers & gloves will be provided. Please wear appropriate shoes, bug spray & sunscreen, and bring your own drinking water. We will take a wildflower walk after the cleanup. This is a great opportunity to earn community service hours, complete a service project, or to simply do a good deed for your community while spending time outdoors. This event is FREE, please RSVP by emailing gmosquera@glotwp.com. *Directions: Take the Black Horse Pike/Rt 168 east, make left onto East Church Street/Blackwood Clementon Road, right onto New Road, left onto Little Mill Road, park along road. *You cannot turn onto Little Mill Road from Blackwood Clementon Road.*

Let's Keep In Touch!

As your Mayor, I'm eager to hear from you should you have questions or concerns; so please do not hesitate to call my office at (856) 374-3514 or email me at dmayer@glotwp.com

I'd like to thank you for choosing our beautiful Gloucester Township your residence and for making our community a great place to live, work and play!

Sincerely,

Daniel R. Mayer
