Public Works Installs Fence at Veterans Park

Mayor Mayer, Township Business Administrator, Tom Cardis, and Public Works Supervisor, Kevin Bucceroni inspected the new fence being installed around the playground at Veterans Park this week. The fence is just another proactive step that the township is taking to keep children safe while at play and give parents peace of mind. With only three points of entrance, one of which will be locked on a normal day, there will only be two ways for the little ones to enter and exit the playground.

TUESDAY, AUGUST 6 FIREWORKS 9:30 PM VETERANS PARK

NATIONAL NIGHT OUT IS LESS THAN 2 WEEKS AWAY!

In less than two weeks, citizens, law enforcement agencies, community groups, businesses, youth organizations and local, state and federal officials from all 50 states, U.S. territories and military bases worldwide will join forces to celebrate National Night Out (NNO) – a community crime and safety event sponsored by the National Association of Town Watch. Throughout the nation, along with the traditional 'lights on' and front porch vigils, there were tens of thousands of block parties, cook-outs, and parades.

Last year, the Gloucester Township Police Department ranked 7th in

the country and first in the state thanks to all of the wonderful residents and businesses who committed their time to making our community safe! This year, whether you live in the southern, central, or northern section of town we have an event for you. If your development or street is not holding a private National Night Event, be sure you stop out at one of the public events at the Erial Fire Department or Blackwood Fire Department. These are free events that are open to all of our residents. We will end the night at Veterans Park for a beautiful display of fireworks at 9:30 pm. We hope to see you there!

RECYCLE SMARTER!

Gloucester Township would like to remind residents that you should **NEVER** bag recyclables. In fact, plastic bags are the worst contaminant in the recycling stream and should **NEVER** go in your recycling cart. When a flimsy plastic bag gets into the system, it gets caught in sorting machines increasing waste and the cost of the entire process in both time and labor. Plastic bags should be returned to retailers who will recycle the bags; or you can simply go ahead and re-use them as trash-can liners, to pick-up after your dog, or you can reduce their use altogether by transitioning to reusable grocery bags.

Do your part and help Gloucester Township recycle smarter in 2019!
