## PRESCHOOL REGISTRATION

The Gloucester Township Recreation Department Preschool Program has been operating for over 25 years! Their goal is to provide Gloucester Township and the surrounding communities with an affordable, professionally-run program to help preschoolers with socialization skills, beginning their independence and helping them prepare for their grade school years. Their open door policy allows you to come and observe your child anytime!

Their State licensed program is for children, who have turned 3 by September 30, 2019 through 5-year olds who have not yet entered kindergarten. Students enrolling in Preschool will be grouped according to the year they will enter Kindergarten. Children must be potty trained.
