# **GT WELCOMES STUDENTS BACK TO SCHOOL**

Mayor David Mayer and Council would like to wish Gloucester Township students a happy and successful school year as they return back to school this Thursday, September 5th.

The Gloucester Township Police Department would like to remind morning commuters to give themselves extra travel time with the buses out on the road. They remind residents that stopping for a school bus is a state law.

"Yellow flashing lights mean slow down — don't speed up — because the bus is preparing to stop. There are likely students waiting to get on the bus or parents waiting nearby to pick up children. Red flashing lights mean stop — and wait at least 25 feet behind the bus — because children are getting on or off the school bus. Stay stopped until the red lights stop flashing, the extended stop-arm is withdrawn, and the bus begins moving. Even when lights aren't flashing, watch for children, particularly in the morning or mid-afternoon, around school arrival and dismissal times. Be alert as you back out of a driveway, or drive through a neighborhood, school zone or bus stop," GTPD officers advise.

## 3 WEEKS AWAY!

You don't want to miss Gloucester Township's 3rd annual Drive-In Movie night on Saturday, September 28th at Camden County College. This event is brought to you by Mayor David Mayer, Council, and our sponsor Damore Cosmetic & Family Dentistry.

The event will feature food trucks, games, pony rides, a hay ride, & more! Activities will start at 5:30 pm and the movie will begin at dusk. We recommend that everyone bring blankets and chairs. Once the main lot fills up, cars will be directed to one of the "overflow lots" and you will be able to watch the movie from our sitting area.

Please note that the movie is rated PG-13 and is a *three-hour-long movie*. If you do not plan on staying for the entire duration of the movie, we advise that you park in one of our overflow lots.

For more information, call the Mayor's Office at (856) - 374 - 3514.

# OVARIAN CANCER AWARENESS MONTH

September is Ovarian Cancer Awareness Month. Ovarian cancer is a type of cancer that begins in the ovaries, reproductive glands found only in women. Ovarian cancer ranks fifth in cancer deaths among women, accounting for more deaths than any other cancer of the female reproductive system.

If you take a look around Veterans Park you will see teal ribbons tied to the trees. These ribbons were put up by The Susan Marie Rupp Foundation, a nonprofit organization established in loving memory of Susan Marie (McCullen) Rupp who was a life-long resident of South Jersey and battled recurring Ovarian Cancer for 8 years. Founded in September 2020 by Susan's Family, the foundation's primary mission is to raise awareness of Ovarian Cancer, educate women on the often-vague symptoms, and raise money for research.

Gloucester Township is proud to join the Susan Marie Rupp Foundation in showing their support and raising awareness for Ovarian Cancer all month long.
