Ahhhh it's that time again. Halloween has past and we now look towards the busy holiday season. But for many, this is often a burdensome time. There are many parents that work nights and weekends to keep food on the table, but still struggle to make ends meet.

Thirty-seven million people face hunger in the U.S. today — including more than 11 million children and nearly 5.4 million seniors. Hunger knows no boundaries — it touches every community, including our own. When people think of those that face hunger they imagine a homeless person or someone poor and most times that's not the case.

This November join the Gloucester Township Police Department as they collect donated canned food and coats. Until November 21st, there will be donation boxes in three locations: GTPD Headquarters, the Mayor's Office and at the Gloucester Township Public Works Department.

Want to tour the historic Gabreil Daveis Tavern House while it is decorated for the holidays? Mark your calendars for the Holiday Open House on Sunday, November 24th, from 1:00 - 4:00 pm.

Gabreil Daveis Tavern will be full of visions of the splendors of a Victorian Christmas, holiday carols by Mainstage Center for the Art's Encore Show Choir, as well as notes from a violinist. Light refreshments will also be included.

This is a FREE event hosted by the Gloucester Township Historic & Scenic Preservation Committee, but donations are greatly appreciated.
