Gloucester Township Celebrates 325 Years

June 2020 marks the 325th anniversary since Gloucester Township's incorporation in 1695. Gloucester Township has big plans to celebrate its anniversary with various exciting events that will continue throughout the year to celebrate the past, present, and future of our town. The township along with members of our community's service organizations are currently coordinating activities to celebrate this commemorative event.

To kick off the anniversary festivities, we will be hosting an anniversary parade in early May as a way to commemorate our town's rich history and we'd like you to join us! Local groups, organizations and businesses are encouraged to participate in the parade and enter their own unique floats. The parade is scheduled for Saturday, May 2nd with a rain date of May 9th. Stay tuned for more information.

The second event will be a time capsule burial which will take place on Saturday, June 13th at the historic Gabreil Daveis Tavern. Items of significance to the township will be buried at the tavern to be dug up by future generations. The purpose of the time capsule is to allow Gloucester Township's heritage to live on for many years to come.

Last but not least, to honor our six fire companies which are a significant part of our town's history, Gloucester Township will attempt to break the Guinness World Record for the longest Bucket Brigade. Bucket brigades were a method used in firefighting before hand-pumped fire engines in which firefighters would pass buckets to each other to extinguish a blaze. In order to break the world record and appear in the Guinness Book of Records, we need YOUR help! We are looking for 6,500 volunteers to line up and pass a bucket on Saturday, September 12th. More details and information regarding registration is coming soon.

We look forward to having you join us in the grand celebration of 325 years of our beautiful Gloucester Township!

Citizen Appreciation Park

Citizen Appreciation Park is dedicated to residents of Gloucester Township who have unselfishly given their time and talent for the betterment of our community. Organizations within our community nominated volunteers, and their names were placed on the Wall of Honor. See page 2 for a list of the 2019 recipients.

Gloucester Township Welcomes New Businesses

As economic development continues to flourish in Gloucester Township, Mayor David Mayer and Council are proud to welcome several new businesses to town over the fall.

Gloucester Township is excited to announce that Shana's Wild Fig, a new restaurant in the downtown Blackwood section of the township, hosted their ribbon cutting on

Saturday, October 12th. A valuable addition to the township's art district, this artisan, new American restaurant features creative cuisine and an inviting atmosphere with chic décor that visitors will surely enjoy.

El Jacalito, a new authentic Mexican cuisine restaurant celebrated their grand opening on Thursday, October 24th. Tacos, Burritos, Enchiladas, Sopas, Quesadillas -- they have it all! Plus if you order #45 on their menu, El Jacalito will donate a portion of the sale to St. Jude's Church.

A Message from Mayor David Mayer

As we say goodbye to the year 2019, I would like to start out by wishing you all a happy and healthy new year! 2020 is an exciting year for Gloucester Township as we celebrate 325 years since our town's incorporation. We have plenty of exciting events planned for the anniversary celebration that we'd love for you to take part in. Please reference the front page for more details on these festivities.

I would like to thank everyone who came out to our 2nd annual Gloucester Township Food & Craft Beer Festival which was a tremendous success. Thank you to the Economic Development Corporation, as well as our generous sponsors, who helped make this event possible. All proceeds from the event went to the Gloucester Township Day Scholarship Committee, a non-profit organization, dedicated to providing college scholarships to high school students residing in our township. Thanks to everyone who came out and enjoyed the day while helping GTDSC with their fundraising efforts.

As we prepare for Gloucester Township's Dr. Martin Luther King Jr. Day of service which falls on January 20th this year, please be sure to visit GloTwp.com and register for available community service projects. Join Council and myself, as well as hundreds of your friends and neighbors, in the most highly anticipated community service event of the year. Let's keep Dr. King's legacy and dream of helping others alive. We hope to see you there!

I would also like to invite all business owners and local entrepreneurs to attend the 20th annual Gloucester Township Business Breakfast which will take place on April 9th at the Palace. This is a free event sponsored by Council, the Gloucester Township Economic Development Corporation and myself. The Business Breakfast is a great opportunity for business people across the township to meet each other, network and share in the progress that is occurring in our community. Visit GloTwp.com for registration details.

I am happy to announce the launch of a new application for your smart phone called Recycling Coach. This app is designed to keep residents up-to-date on their recycling day as well as detailed information on what can and cannot be recycled.

Follow us on Facebook (@gloucestertownship), Twitter (@glotwp), and Instagram (@glotwp) to stay in the know of the latest news and events happening in our community. I wish you all a safe and happy winter!

Sincerely,

David R. Mayer

Sustainable Gloucester Township Green Team

The Sustainable Gloucester Township Green Team is an environmentally oriented group of residents dedicated to keeping Gloucester Township "green" and on the path of sustainability. We welcome anyone with similar interests to attend our meetings and participate in our events. The Green Team is involved with

the Gloucester Township Historical and Scenic Preservation Committee in the establishment of local and county trails and their clean-ups. Our members also manage and work an organic community garden for residents and groups at the Gabriel Davies Tavern site. In the past we have participated in the Sustainable New Jersey Certification Program, South Jersey Land and Water Trust clean-ups and educational events, TriCounty Sustainable Alliance and Sustainable Camden County events. If you find yourself interested or wanting to participate in any of our activities call or e-mail Gabriel Mosquera, GMosquera@GloTwp.com, at the Mayor's Office to get on our e-mail list for upcoming events and meetings. Thanks and think sustainable, think green.

The Gloucester Township Community Garden begins its planting and growing season early next spring. We invite our neighbors to join us and share in this wonderful opportunity to harvest your own vegetables, fruits or herbs. As part of our shared vision many gardeners plant flowers that attract pollinators, such as the butterflies and bees (which are essential in producing a healthy crop).

If you are unable to join us next spring we encourage you to consider how each person in our own small way can help support our pollinator friends by planting flowers at home that promote and support this important link in our food chain. For example: Monarch Butterflies depend on milkweed, (this is where they lay their eggs and the young caterpillars get their nourishment), many pollinators love zinnias and other flowers as well. Each small step we take can make a difference, and together as a community we can have an even bigger positive impact.

EASTER BUNNY BRUNCH

Saturday, April 4 10am-12 noon

Join us for this FREE EVENT! Come see the Bunny and enjoy bagels, donuts, refreshments, fun and games. Bring your camera and get your picture taken with the Easter Bunny. Please bring a canned good that will be donated to the local food bank. This event is held at the Gloucester Township Recreation Center, 80 Broadacres Dr., Clementon. All children must be accompanied by an adult. For more information, please call 856-435-5734.

For residents looking to reduce their household waste and become better recyclers, look no further than the Recycle Coach platform—now available in Gloucester Township.

With Recycle Coach, residents can:

- Stay organized with the custom events calendars
- Receive collection reminders and real-time updates on service disruptions
- Become recycling experts with a comprehensive "What Goes Where?" search tool, including local disposal information and collection requirements for common and uncommon items
- Take the "What Type of Recycler Are You?" quiz for useful recycling tips and tricks
- Use the problem-reporting tool, equipped with geolocation, to notify municipal services about issues like missed collections

Residents can access Recycle Coach from their desktop computers, mobile devices, or through digital assistants like Amazon Alexa and Google Home. By leveraging the power of voice technology, the platform makes it easy for people to get local disposal information for thousands of household items when they need it. And the best part: it's absolutely free!

The service takes the guesswork out of recycling, empowering residents to make smarter disposal decisions and take an active approach to reducing household waste. For Gloucester Township, this can help increase recycling rates and decrease contamination in the community's recycling stream. Become a better recycler today by downloading the Recycle Coach app for free at the iTunes Store and Google Play.

POLICE DEPARTMENT NEWS

Chief David J. Harkins New Year Message

As we head into the New Year, the men and women of the Gloucester Township Police Department remain committed to serving our great community. We are looking at building upon our successes, and looking to see how we can make things better. I am very proud of the members of the Department after a very charitable holiday season. Our members were supported by the Gloucester Township community as we participated in a food and coat drive at Thanksgiving, our "Stuff a Truck" toy drive, and our annual "Shop with a Cop" at Christmas.

Community is what we are all about at the Gloucester Township Police Department, and we will continue to expand our partnerships to provide the highest level of service in the New Year. I am proud to serve with the men and women of the Gloucester Township Police Department, and we are proud to serve you.

We want to hear from the community. If you would like to commend an officer or employee, or if you have an issue, please email us at police@gtppolice.com. You can also visit our updated website at www.gtppolice.com.

On behalf of the men and women of the Gloucester Township Police Department, I would like to wish you a Happy, Healthy, and Peaceful New Year!

David J. Harkins
Chief of Police

GTPD's Family Resource Center Children's Garden expands with Monarch Butterfly Garden

The monarch butterfly is a milkweed butterfly in the family Nymphalidae. Its wings feature an easily recognizable black, orange, and white pattern, with a wingspan of 8.9–10.2 cm. The Kiwanis Club of Gloucester Township has been sponsoring a Children's Garden at the Family Resource Center for the last three years. As that has prospered and expanded, they have embarked on a new and related project at the FRC, the Kiwanis/Gloucester Township Monarch Butterfly Garden. The North American monarch butterfly population has shrunk by more than 90 percent in the past two decades. Monarch Butterflies mainly feast on milkweed and our goal of the garden is to provide a sufficient habitat and milkweed for local monarchs to thrive.

The Monarch Garden is located across the parking lot, adjacent to the field. Plants have recently been installed and the shed is being converted into a Monarch Learning Center. As part of this initiative, they involved the township more directly and the Mayor has agreed to take the Mayor's Monarch Pledge at the National Wildlife Federation. Mayor Mayer has agreed to eight of 23 points laid out by the National Wildlife Federation. With this, the Monarch Butterfly Garden will be listed on a National Website that includes other habitats throughout the country. As of August 26, 2019, we have been listed on the map as site 512. For more information on the Mayor's Pledge, please visit <https://www.nwf.org/Garden-for-Wildlife/About/National-Initiatives/Mayors-Monarch-Pledge>

Shop with a Cop (Heros and Helpers Program)

On December 7th, the Gloucester Township Police Department participated in the 7th annual Shop with a Cop Program at Target on Berlin Cross Keys Road. The GTPD purchased gift cards for children in Gloucester Township. Each child was assigned at least one officer and were able to shop for themselves and their family with the gift card. The GTPD strongly believes in partnering with the community and this is another way to build a positive relationship with our youth and the children get to interact with officers in a positive atmosphere.

Stay Informed: Community Notification System

The Gloucester Township Police Department believes that establishing partnerships is vital in making a community even safer. One important step in creating meaningful partnerships is establishing a viable communication link between residents, business owners, and community leaders. The Gloucester Township Police Department utilizes our Community Notification System to ensure our partners receive information regarding road closures, traffic safety alerts, community safety bulletins, community events, and all media releases issued by the Gloucester Township Police Department.

During winter weather emergencies, the Gloucester Township Police Department was able to keep our residents well informed about road closures, power outages and other emergencies that may have arisen from these events. If you do not already subscribe you can learn more by going to our website at gtpolice.com, going to the "links" block and signing up for our Nixle program or visiting <https://local.nixle.com/register/>.

Become a Partner of The GTPD: Attend the Citizens Police Academy

The Gloucester Township Police Department in a continuing effort to foster a better police-community partnership would like to invite any Gloucester Township resident 16 years of age or older to attend the Citizen's Police Academy. The Gloucester Township Police Department Citizen's Police Academy will be a free, 10-week course that will take place starting January 23, 2020. The classes will be on Thursday evenings from 6:30 PM to approximately 8:30 PM. The course will include an overview of the police department and the administration, police communications, special operations, criminal investigations, traffic safety, K9, Special Response Team, Crime Scene Unit and much more. Also, all attendees of the Citizen Police Academy will be trained in the use of CPR for the home. If you feel you would like to be part of this cooperative effort between the police and the community, and would like to receive a Citizens Police Academy application or have any questions, please call the Gloucester Township Police Department Community Relations Bureau Lt. Jason Gittens at 228-4011 or email communityrelations@gtpolice.com.

Detectives Taking on Role as Teachers to Educate our Students

During the 2017/2018 school year and the 2018/2019 school year, the Gloucester Township Police Juvenile and Family Services Bureau has been working in conjunction with the Black Horse Pike Regional School District to educate our students on the dangers of sexting as well as an overview of our State's domestic violence laws to include tips for having a healthy relationship. We are targeting the incoming freshman students during a class they have called Freshman Seminar where they are taught life skills. As of this year, every student that has been enrolled in the three high schools the past two years have been taught these two very important topics by highly trained detectives from the Juvenile and Family Services Bureau.

Our Sexting presentation is taught by our Juvenile detectives who have investigated several cases involving sexting and cyber bullying. They are also members of the State's Internet Crimes Against Children (ICAC) Task Force. They touch on the dangers of sexting and how it could negatively affect the students lives to include depression, cyber bullying and possibly acts of school violence. They explain how images produced by the students and distributed could be shared among other students and possibly end up on the internet where they could remain forever.

Our Healthy Relationships presentation is taught by our Domestic Violence Detectives. These detectives are two of the more highly trained detectives in the State concerning domestic violence and are responsible for our successful Home Involved Violence Intervention Strategies program (HI-VIS). The detectives explain the complicated domestic violence laws throughout our state and how it could affect our students. They also discuss resources for students having difficulties in a relationship.

Although these topics are very important for the students, they are also life lessons that can be followed forever. Our detectives have since started to introduce the sexting program to our 7th grade students as we have been finding that the issue is affecting kids in middle school more frequently. We also occasionally host a parent's night with our school districts where we present the same topics to our parents so they can help re-enforce these valuable lessons in the home. If you would like more information on these topics, please contact our Juvenile and Family Services Bureau at 856-374-5716 or familyresource@gtpolice.com.

GTPD Launches the Fast Incident Reporting Station (F.I.R.St)

In October of 2019, the Gloucester Township Police Department has introduced the Fast Incident Reporting Station (F.I.R.St), which is our new Kiosk located in the police department in the lower level near the municipal court. You can report a variety of incidents, such as non-emergency situations, register an alarm, send in a vacation property check request, register a security camera, request a firearms permit, or even let us know you're going on vacation. Once the report has been completed, an automated email message will be sent to you advising you that the report has been submitted. If you have an issue reporting your incident or the incident you wish to report does not match one of the incident types listed, you are encouraged to speak with our Watch Desk officer, who will be able to further assist you.

The Kiosk is a great resource for the Gloucester Township community and allows citizens to have access to this system 24 hours a day as well as speed up your visit to report a non-emergency incident. The use of this system will allow for our officers to be more available for proactive police work and other high priority needs as well as calls for service. The Gloucester Township Police Department looks forward to accepting your online reports and wants you to know that this service is not intended to discourage you from requesting a response to your home or business to file a report, as well as reports can still be made in person with our watch desk officer at police headquarters.

PUBLIC WORKS NEWS

The Public Works facility is located at 1729 Erial Rd in Blackwood. Please contact Public Works with any questions at 856-228-3144.

HELP US DURING SNOW & ICE

Park cars in driveway or off the street

Whenever snow has fallen and the accumulation is such that it covers the streets and highways, and an emergency exists, no vehicle shall be parked on the streets or highways or portions thereof indicated. The above parking prohibitions shall remain in effect after the snow has ceased until the streets have been plowed sufficiently and to the extent that parking will not interfere with the normal flow of traffic. Any unoccupied vehicle parked or standing in violation shall be deemed a nuisance and a menace to the safe and proper regulation of traffic and any police officer may provide for the removal of such vehicle. The owner shall pay the reasonable costs of the removal before regaining possession of the vehicle.

BRUSH PICKUP

Per Twp. Ordinance, branches, hedge trimmings, brush clippings, etc. must be securely tied into **four foot bundles** that can be easily handled and the diameter of any branch may not exceed six inches. The bundles shall not exceed **forty pounds**. Public Works will pick up bundles on your designated day only if the ordinance is followed.

During storm damage, we will work with residents to pick up their brush, however the ordinance must be followed. No commercial vehicles can dump at Public Works. For questions please call Public Works at 856-228-3144.

G T M U A F A Q

What does the GTMUA do? The Gloucester Township Municipal Utilities Authority's (GTMUA) primary function is to maintain and serve the Gloucester Twp. Sewer System. The system consists of 51 pumping stations with 13 miles of sanitary sewer force mains, 368 miles of sanitary gravity sewer mains and 4,851 manholes. We maintain over 300 miles of pipe that transport 8.7 million gallons of sewage per day from GTMUA to Camden County MUA's regional treatment plant.

What to do in the event of a sewer blockage? Contact GTMUA at 856-227-8666. We are available 7 days a week, 7:30am-11:30pm. The GTMUA is responsible for the sewer lines from the curb line to the street. The homeowner is responsible from the curb line to the house, including the cleanout at the curb. We will advise you if it is necessary to hire a plumber. Do not put the following in the toilet: Baby and flushable wipes, Feminine sanitary products and Fats, Oil & Grease.

What are the due dates? The bill is mailed out in December. It includes quarterly stubs with due dates of Jan. 15, April 15, July 15 and Oct. 15. Sign-up for email reminders at www.gtmua.com.

How can I pay my bill? We accept cash, checks, and money orders at the office. Mail payment & stub: P.O. Box 216, Glendora, NJ 08029. Our website, www.gtmua.com, to pay by checking account or credit card. There is a fee. Fees are paid directly to the company processing the payments. Contact your bank for online payments. In person: 401 W. Landing Road, Blackwood, NJ 08012. Office hours are Mon. - Fri., 8:30am - 4:30pm.

How to change the name or mailing address on your account? Please contact us at 856-227-8666 or by e-mail customerservice@gtmua.com.

Can I put my tenant's name on the bill? No. The GTMUA sewer bill is lienable against your property. If your tenant does not make payments, the property will go to Tax Sale.

Why do I have two bills? The GTMUA is responsible for the collection system in Gloucester Township, including the pipes in the street in front of your house and 51 pumping stations. We collect the wastewater and deliver it to the CCMUA Interceptor. The Camden County MUA is responsible for transporting your wastewater via pipeline (regional interceptor) from one location within our community to a modern wastewater treatment facility on the Delaware River, where the wastewater is treated.

TBAA SOCCER

The Timber Broadmoor Athletic Association (T.B.A.A.) has opened Registration for its Spring in-town Intramural Program (birth-years from 2012 through 2016) which begins in early March. TBAA is a volunteer, non-profit association founded in 1964 and today is one of the largest youth soccer clubs in South Jersey.

T.B.A.A.'s Intramural Program is open to boys and girls aged 4 to 8. Our goal is to teach good fundamental soccer, ball skills, sportsmanship and teamwork, all in an enjoyable, non-competitive atmosphere. To maximize player development, we offer small sided games (3 v 3) and (4 v 4) as endorsed by the United States Soccer Federation. There is also free, professional instruction provided by our travel team trainers for all participants.

To get more information or to register online, visit our website at www.TBAA.net. There may also be limited openings in our travel program for the spring season. If you have any questions, please email us through the website, or at: tbaaintra@gmail.com.

GLOUCESTER TOWNSHIP LACROSSE

Gloucester Township Lacrosse is growing, and we are currently seeking boys and girls grades K-8, who want to learn and compete in this great sport. Lacrosse is primarily a spring sport (March-May). At the youth level, EVERYONE IS A BEGINNER, so don't worry if you are not familiar with the sport! Our current coaches are knowledgeable and are excited to teach lacrosse to our youth, and are just as excited to share their expertise with all future coaches/volunteers!

Our goal is to provide a safe, fun, learning environment where we emphasize the fundamentals of the game, sportsmanship, and teamwork.

Coaches, team parents, volunteers, etc. are needed to help with this fast growing sport of lacrosse in Gloucester Township, all are welcome! For questions, open house dates, registration information please go to our website www.glotwplax.com or email us at gloucestertownshipplax@gmail.com - Like us on Facebook: Gloucester Township Lacrosse.

SINGLE-STREAM RECYCLING GUIDELINES 2020

"RECYCLING COACH" APP COMES TO GLOUCESTER TOWNSHIP

The "Recycling Coach" App allows residents to enter their address and receive information about what is recyclable and pick-up dates. Download the free app at the apple store or google play.

HOW TO RECYCLE

Recycling carts are collected every other week at curb side. Use your cart space wisely. Compress and flatten recyclables to maximize cart space. Cardboard must be broken down and placed vertically in cart so that the cart will empty properly. All recyclable material must fit in cart with the lid closed in order to be picked up. **NO PLASTICS BAGS.** All containers should be empty and rinsed and all recyclables must be kept as dry as possible. If you received a recycling cart, it must be used. Additional recycling material left outside recycling cart will be collected by a different truck. Any oversized cardboard that cannot be broken down (remove bubble wrap, plastic bags & Styrofoam), call The GTMUA for a scheduled pick-up.

WHAT TO RECYCLE

Only recycling items listed below go into the recycling cart/container or the material will not be collected.

Glass: containers that were previously used for food or beverages. These containers may be clear, brown or green glass.

Metal: refers to aluminum, tin or bi-metal food and beverage containers.

Plastic: that only display the plastic class types #1 & #2 recycling triangle. These containers could have been used for food, juice, milk, soda and water; no loose lids.

Paper: newspaper and inserts, catalogs, chipboard (beer & soda cartons), cereal boxes, computer paper, envelopes, gift boxes, greeting cards, junk mail, magazines, office paper, paper toilet/towel rolls, phone books, text books (without hard covers) and work books. Also, all types of flattened- folded in half/cut down corrugated cardboard (put in cart vertically so cart will completely empty).

WHAT NOT TO PUT IN THE RECYCLING CART/BUCKET

No grass, leaves, brush, batteries, electronics, construction debris, diapers, pizza boxes, Styrofoam, vinyl, food, pet waste, liquids or trash of any kind. NO PLASTICS BAGS: DO NOT put plastic bags in your recycling cart/bucket. DO NOT BAG RECYCLABLES. Plastic bags are the worst contaminant in the recycling stream. Return plastic bags to retailers or dispose of with your household trash.

These items are to be thrown out with your household trash:

Glass: auto glass, ceramics, drinking glasses, window glass, mirrors and light bulbs.

Metal: aerosol cans, coat hangers, paint cans, pots, pans or scrap metals.

Plastic: anti-freeze or auto oil containers, bubble wrap, children's toys, flower pots, laundry baskets/buckets, lids, microwave food trays, plastic bags, plastic plates or utensils.

Paper: foil or wax coated cardboard (ice cream containers and frozen juice cartons, frozen dinner boxes), hard cover books, napkins, paper cups, pizza boxes, plates, shredded paper, tissues, towels and wrapping paper.

RECYCLING CONTAINERS

RECYCLING CONTAINERS: Multi-family properties that need an additional 96-gallon recycling cart should call the GTMUA @ 856-227-5665. Carts are only available through the GTMUA. All carts are the property of Gloucester Township and must be left at your house if you move. Recycling carts used for any other purpose other than recycling will be confiscated. Please, do not put any markings on your cart as it is Township property; each cart has an identification number and a RFID tag which will correspond with your address.

SINGLE-STREAM RECYCLING GUIDELINES 2020

GRASS CLIPPINGS will be collected as follows: March 15 - October 31: GTMUA collects grass clippings WEEKLY on the same day as your regular recycling day. Example: Your recycling day is every other Monday – your clippings will be picked up every Monday. Grass clippings can be placed into your yellow recycling bucket, a two handled container, a compostable brown lawn bag or a trash bag left untied at the curb. Maximum weight for each bag or container is 40 pounds. A maximum of 20 bags per week is allowed.

November 1 - March 14: GTPW collects EVERY WEEK on your regular recycling day with the exception of Friday which will be picked up on Thursday. GTPW will not accept trash bags. Grass clippings generated by a commercial landscaper will not be collected.

LEAVES will be collected as follows: 1/1-3/14 - GTPW collects EVERY WEEK on your regular recycling day with the exception of Friday which will be picked up on Thursday. 3/15-10/31 - GTMUA collects WEEKLY on the same day as your regular recycling day. Put leaves in a two handled container, a compostable brown lawn bag or a trash bag left untied at the curb. Maximum weight for each bag or container is 40 pounds with a maximum of 20 bags per week. 11/1-12/31 - GTPW collects according to the fall leaf schedule. **Residents are reminded to rake their leaves to the curbside only during the fall and spring leaf schedule.**

STUMPS are collected every 3-4 weeks. Residents are to notify the Public Works Department at 228-3144 prior to pick-up.

BRUSH must be cut into 4ft lengths and tied into bundles not to exceed 40 pounds (as per Ordinance). Brush will be collected by Public Works every week on your regular recycling day with the exception of Friday which will be picked up on Thursday.

SOD & GARDEN/LAWN DEBRIS must be in a separate brown lawn bag or container from grass/leaves. This collection by Public Works is every week on your regular recycling day with the exception of Friday which will be picked up on Thursday. Make sure any bucket used, has two handles and is no larger than 32-gallons. Keep brush/debris separate from grass clippings and leaves. Grass clippings and leaves can be mixed as the GTMUA recycles those into organic compost.

FIREWOOD residents are to notify Public Works at 228-3144 prior to pick-up.

ELECTRONICS: Waste Management Act makes it mandatory to recycle all electronics. Household electronics may be dropped off at the Public Works building. Public Works drop off hours are 8am-4pm, Monday - Thursday. Proof of residency required. Residents must call GTPW by Tuesday 4pm to schedule a Wednesday curbside pickup. **WHITE GOODS:** refrigerators, freezers, stoves, ovens, washers, dryers, water heaters and air conditioners are collected every Wednesday. Residents should call Public Works by Tuesday at 4pm to schedule a Wednesday curbside pick-up. Remove the doors of all appliances prior to leaving at curbside.

MOTOR OIL, CAR BATTERIES AND ANTI-FREEZE, may be brought to the Public Works Department.

CONCRETE, BRICK OR RUBBLE a limited amount may also be disposed of at Public Works, but there is no curbside pick-up of this material. Residents must show proof of Township residency and job-site verification.

SPECIAL WASTE includes automotive liquids, chemicals, fuels, household cleaners, paint related products (oil paints), pesticides and solvents. These hazardous materials cannot be disposed of with your regular trash. The Camden County Division of Environmental Affairs will take your hazardous materials. Please check their website camdencounty.com or call 856-858-5241 for drop-off dates. One will be held in Gloucester Twp at Camden County College. **Water based only latex paint** (cleans up with soap & water) can be disposed of in your regular trash once it's dried out. To achieve the drying out technique; put a strong plastic bag in a cardboard box, then place kitty litter or sand into the plastic bag. Pour the water based paint into the plastic bag. If needed, add more kitty litter or sand. When the paint is dried out, tie the plastic bag and discard into the trash. When the inside of the empty paint can is hardened, you may dispose of it in the regular trash with the lid off. **Syringes & Needles DO NOT RECYCLE.** Use a needle clipper (from pharmacy). After clipping off the needle put in an old coffee can or detergent bottle and seal original lid shut with duct tape. Write on container, "syringes-do not recycle" and throw in trash. **Medication** may be disposed of at the Police Station and Municipal Building. They have a mail box slot that is to be used to discard unwanted medications.

TRASH COLLECTION will continue on the present schedule. If you have any questions call Waste Management at 1-800-633-9096. Account # 49856022. Only two (2) tires per household with the metal rims removed, will be collected on your weekly trash day. Sinks and Toilets will be picked up at curbside on your weekly trash day.

Frequently Asked Questions

How should I set my cart out for collection?

Carts placed on the curb must be no more than 2ft from street. If placed in street; wheels should touch the curb. Residents in cul-de-sacs should place their carts far enough away from the curb so the truck's 12ft collection arm can reach. Arrows on lid must be pointing towards street. Cart must be at least 5ft away from any obstacles. Automated collection requires a 15ft overhead clearance, keep cart away from low hanging trees and wires. Don't overload your cart, lid must be fully closed. Carts must always be on level ground (no snow or leaf piles).

Can the recycling cart be returned?

No, it is the law to recycle so residents may not return the cart.

Can I paint my cart or change my cart lid?

No, the carts are Township property. The lid may not be removed.

Can I use a different cart or bucket?

No, only recycling carts issued by the Township may be used.

Check the schedule to determine your designated recycling dates. Recyclables will be collected every other week. Your recyclables must be put out no earlier than 4pm the day prior to collection, but no later than 5am on the collection day. There will be no recycling collection on the following Holidays: New Years Day, Memorial Day, Independence Day, Labor Day, Thanksgiving Day and Christmas Day. Recyclables will be collected on the following work day for those holidays only. All other recycling collection days in the holiday week stay the same (Do not wait an extra day). The Holidays above are in parentheses and the alternate collection date follows the arrow; (holiday)>collection date.
