## A NEW YEARS MESSAGE FROM OUR NEW CHIEF, DAVID J. HARKINS

As we head into the New Year, the men and women of the Gloucester Township Police Department remain committed to serving our great community. We are looking at building upon our successes, and looking to see how we can make things better. I am very proud of the members of the Department after a very charitable holiday season. Our members were supported by the Gloucester Township community as we participated in a food and coat drive at Thanksgiving, our “Stuff a Truck” toy drive, and our annual “Shop with a Cop” at Christmas.

Community is what we are all about at the Gloucester Township Police Department, and we will continue to expand our partnerships to provide the highest level of service in the New Year. I am proud to serve with the men and women of the Gloucester Township Police Department, and we are proud to serve you.

We want to hear from the community. If you would like to commend an officer or employee, or if you have an issue, please email us at [police@gtpolice.com](mailto:police@gtpolice.com). You can also visit our updated website at [www.gtpolice.com](http://www.gtpolice.com).

On behalf of the men and women of the Gloucester Township Police Department, I would like to wish you a Happy, Healthy, and Peaceful New Year.

## PET WASTE & WATER POLLUTION: PROPER PET WASTE DISPOSAL

Pet waste is carried by rain, melting snow, and ice to storm drains that empty into rivers, lakes, and the ocean. It also reaches reservoirs which supply much of the drinking water in New Jersey. Pollution due to pet waste negatively impacts swimming, boating and fishing in these water bodies. Pet waste contains microorganisms that can cause bacterial diseases, roundworms and parasitic infections. In addition, pet waste contains harmful levels of nutrients which promote excessive algae and plant growth. This can rob the waterbody of oxygen, potentially killing all aquatic life in the area. Such nutrient pollution also causes waters to become cloudy and green.

*Proper Pet Waste Disposal: Put it in the trash or Flush it down the toilet \*But, please do not flush bags, debris, or nonbiodegradable items\**

## LARRY'S COLD CUTS SINCE 1967

The building which houses Larry's Cold Cuts has been a deli since the 1930's. In 1951, the Cramer family bought the business which later became known as Larry's Cold Cuts in 1967. The business has been family owned and operated for decades, winning many awards and fame for the Italian hoagies and delicious cheese steaks. Larry and Irene Carmer's motto was "to always offer customers the best products and the finest ingredients for a fair price." Larry's Cold Cuts continues to honor their values to this day.

Stop into Larry's to try their variety of hoagies, steaks, sandwiches, sliced cold cuts, salads and soups. They also offer catering! For more information, please click below.
