Throwback Thursday: where we share old photos of our beautiful town!

This Martin Luther King Jr. Day marks the 25th anniversary of the day of service that celebrates the Civil Rights leader's life and legacy. MLK Day is observed on the third Monday in January each year and is currently the only federal holiday designated as a national day of service. The MLK Day of Service inspires hundreds of thousands of Americans to come together every year and serve their community. As Dr. King said, "Everyone can be great because everybody can serve."

Please join Mayor David Mayer, Township Council, Gloucester Township Public Schools, and friends and neighbors this Monday, January 20th by volunteering your time to fulfill Dr. King's dream of helping others. Be a part of fun and worthwhile service projects that have a lasting impact on our entire community. Hundreds of residents have already registered for MLK Day 2020. Wait are you waiting for?

Please visit [GloTwp.com](http://GloTwp.com) for more information and a list of available projects. Online registration will close at noon on Friday, January 17th.

# THROWBACK THURSDAY

In honor of the 325th Anniversary since Gloucester Township's incorporation in 1695, we will be sharing old photos of our beautiful township. If you or your family have a history in Gloucester Township and have any old photos that you would like to share, send them to [mayer@glotwp.com](mailto:mayer@glotwp.com).

Pictured is the first Blackwood Post Office and Post Master, Mrs. Elizabeth Shaw (left). This building is still standing today on East Church Street next to the First Presbyterian Church of Blackwood (right).

In the 1940s, mail was delivered and sorted to individual boxes. Residents gathered at the post office to collect their mail, greet one another and chat, making this a social event and great way to share the latest Township news.

By 1952, the United States Postal Service had begun to make the first home deliveries to some areas of the Township.
