## URBAN AIR ADVENTURE PARK IS COMING TO GLOUCESTER TOWNSHIP!

Urban Air Adventure Park, the family-friendly indoor trampoline entertainment center, is coming to Gloucester Township! Construction for this 30,000 square foot park has begun at The Shoppes at Cross Keys in the Sicklerville section of the township and is expected to bring around 60 new employment opportunities to town.

Urban Air offers a full line-up of activities for all ages including: wall-to-wall trampolines, dodgeball courts, obstacle courses, an intense rope course, Urban Air Sky Rider Indoor Coaster, a Runway Tumble Track, Slam Dunk Zone, Urban Warrior Course and a Battle Beam.

Urban Air will also offer custom birthday parties for children--however, the fun is not limited to the kids. Adults can also partake in a group outing as well. # GLOUCESTER TOWNSHIP POLICE HOST POLICE CHAPLAIN PROGRAM

Gloucester Township Police Department Chief David Harkins provided opening remarks for The Police Chaplain Program on Monday, February 10th. Chaplains from all over visited Gloucester Township to learn how to better serve Law Enforcement, Emergency Responders and the Community.

The Police Chaplain Program creates a partnership between faith-based community leaders and first responders providing an overall better quality experience to the residents of their community. The goal is to have the Police and Clergy work together during times of crisis to provide a more comprehensive response to those in need.

Pictured is The American Store, forerunner to ACME, which was located on the Black Horse Pike, in a row store, two doors down from West Church Street. It is recorded as accepting Township printed scrip as payment during the Great Depression.
