GTPD Launches New Lost & Found Animals Platform on Facebook

The Gloucester Township Police Department is happy to announce that they have launched a new Lost and Found Animals platform on Facebook, called "Gloucester Township PD Lost And Found Animals," to help reunite our residents with their pets. GTPD Officers continually come across animals who escape their homes and yards, especially dogs. The GTPD would historically post these animals on their social media platforms in order for them to be reunited with their owners. Since those posts have become very popular over the years, they decided to dedicate a Facebook page just for lost and found pets.

All Gloucester Township residents are reminded that they must obtain a license for their dog(s) or cat(s) with the Township Clerk per Local Ordinance 47-2. For more information, you can reach out to the Township Clerk's Office at (856) 374-3534.

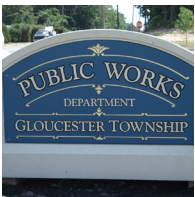

Whenever a GTPD officer takes control of animal, the officer will transport the animal(s) to Homeward Bound, 125 County House Road, Lakeland, NJ 08012. For additional information, please visit <https://homewardboundnj.org/> and don't forget to "like" or "follow" the GTPD's new Facebook page: "Gloucester Township PD Lost and Found Animals."

Gloucester Township wishes a Happy 245th Birthday to the United States Marine Corps! The U.S. Marine Corps' Birthday honors the memory, history, and values of our heroes who have served, and celebrates the traditions of the Marine Corps.

Veterans Day originated as "Armistice Day" on November 11, 1919, the first anniversary of the end of World War I. Congress passed a resolution in 1926 for an annual observance, and November 11th became a national holiday in 1938. Veterans Day pays tribute to all American veterans, past and present, but especially gives thanks to the living veterans who served their country honorably.

Mayor David Mayer & Council honor those who have served, and those who continue to serve. Thank you for your service and sacrifice!
