## Dave and Buster's Opens in Gloucester Township

Monday, December 7th, Dave and Buster's officially opened its doors to the public here in Gloucester Township! This national restaurant and entertainment business is known for their state-of-the-art games, craft menu, and innovative drinks.

"Back in the late 1970s, Buster opened a restaurant known for its tasty food and friendly service. A few doors down, Dave opened an outrageous place for entertainment and games where adults were irresistibly drawn for fun. The two young entrepreneurs noticed people rotating between their establishments, and an idea started to form: What if they put both under one roof?

The two young men headed to "Restaurant Row" in Dallas where they found an empty 40,000 square-foot warehouse. Having been proclaimed certifiably crazy by many in the restaurant industry, Dave and Buster dove headlong into construction. With Dave's name first because he won a coin toss, they opened the first Dave & Buster's in December 1982.

Today, much has changed. With over 111 locations, each store has more state-of-the-art games than ever, more mouth-watering menu items and the most innovative drinks anywhere. From wings to steaks, they've got whatever suits your appetite and their premium bar assures they are stocked to satisfy! Plus, you can watch your game on one of their massive HDTVs with epic stadium sound (continues, Page 2)

Dave and Buster's mission is "to create their Guest's first choice for frequent fun through the best combination of the latest and greatest games, ultimate sports-viewing, extraordinary food and remarkable drinks."

Dave and Buster's is also a proud supporter of Make-A-Wish Foundations. They have raised more than \$10 million for Make-A-Wish since 2012 and have 3 star sales campaigns each year to grant wishes for children with life-threatening medical conditions.

The entertainment giant takes health and safety of everyone extremely seriously as they adhere to the recommended CDC guidelines: guests are required to wear a mask with gloves available upon request. "The health and well-being of our guests and employees is our top priority," Dave & Buster's Gloucester Township General Manager Dean Sholders said. "We've enhanced our health and safety protocols to create a safe environment, and we're so excited to bring good clean fun to the community."

"We are extremely excited to finally welcome Dave and Buster's to our township and honored that they chose Gloucester Township to represent them in the South Jersey region. We believe they are going to complement our Gloucester Outlets extremely well and will attract even more traffic to our thriving shopping area. It's always great to see national companies like these showing interest in our Township and taking advantage of the business potential we have here in Gloucester Township," said Mayor David Mayer.

We congratulate this national restaurant and entertainment business on their grand opening and wish them lots of luck as we welcome them to our township!

November may be over, but you can still donate to help this Officer and his family of five: Please send your gift via Venmo to @FOPGarden-StateLodgeThree (list Rulli66 as reason) OR send a check to FOP Garden State Lodge 3, 871 Engard Ave, Pennsauken, NJ 08110 and list Rulli66 at the bottom of the check.
