Covid-19 Vaccine: Homebound Individuals

The State of New Jersey is working to bring home health agencies that are willing and able to administer the COVID-19 vaccine to their homebound clients.

- Individuals who are able to do so are encouraged to make every effort to safely attend any of the 750+ COVID-19 vaccination sites in New Jersey.
- Individuals who are Medicaid members can schedule transportation to a vaccine appointment by calling Modivcare at 1-866-527-9933 at least 48 hours before the appointment. Please be sure to mention that the trip is for vaccination.

Please follow the link below to complete the form to notify NJDOH of an individual's homebound status which prevents that individual from receiving COVID-19 vaccination outside the home.
