RED LIGHTS MEAN STOP!

Gloucester Township Public Schools are back in session which includes the return of heavy school bus traffic, bus stop pedestrian traffic, and pedestrian traffic near our schools. Please use caution while driving, and give yourself extra time to travel to work.

School bus red flashing lights and an extended stop-arm signal indicate that the bus has stopped and that children are getting on or off. Drivers **MUST STOP** a safe distance away and not start again until the red lights stop flashing, the stop sign has been folded back, and the bus begins to continue on its way.

Thank you, and STAY SAFE! Gloucester Township Police!
