Children's Garden Fall Bounty

Coordinators Michele Selfridge and Lindsey McEnroe have been spending their Thursday afternoons tending the garden and helping our kids learn how to use vegetables for cooking. Arts and crafts are also an activity for the weekly visitors. We made pizza with the tomatoes we picked and used mud "paint" to make pictures. We also just planted Swiss Chard, Brussel Sprouts, Broccoli, Kale and Spinach. We will be

enjoying fresh healthy salads! Children who participated in the garden activities this summer will be painting a picket for our fence to display proudly. Kiwanis of Gloucester Township/Blackwood will be working in conjunction with our Key Clubs to do a fall clean up and get ready for winter next.

PRESIDENT'S MESSAGE

The Children's Garden has been a huge success despite the effects of Covid-19. Many thanks to Mrs. Selfridge and Mrs. McEnroe for their hard work putting together new planting schemes and activities for the children. A good time was had by all and the garden looks spectacular! A bench might be in order for next year to be able to sit and relax -
Denise Wolf
