Gloucester Township holds Reorganization Meeting

“It’s been an honor to serve this community as a mayor over the last 12 years. Together we’ve been able to accomplish a lot. Now there’s more to do and I’m really looking forward to the next 4 years. This community is a tremendous community and, as I travel around, I meet so many outstanding individuals that want to give back to the community and we acknowledge them at the Citizen Appreciation Park every single year. But those individuals are really the essence of Gloucester Township,” said Mayor Mayer. The Mayor also thanked the Council, the Police Department, the Mayor’s Office, and Business Administrator Tom Cardis for their continuous leadership, standing up to the challenges, and serving our community.
