# Meet Alex Fritz and his project GTTV!

Gloucester Township is excited to launch a new video mini-series “GTTV with Alex Fritz,” where Alex will be summarizing council meetings in an easy-to-digest form and updating residents on events and other happenings in the Township. Transparency and ease of access to local government are extremely important to residents of Gloucester Township and GTTV is yet another effort to bring your government even closer to you.

Alex Fritz is a 20-year-old who is currently interning in the Mayor’s Office while attending Camden County College under the NJ STARS Program. Alex is graduating this spring with a degree in Business Administration and plans to attend Rutgers Law School.

“I have designed GTTV to help recap and streamline township information in an easy-to-understand format to appeal to a broader audience,” said Alex. We thank Alex for this awesome initiative and wish Alex good luck at his exciting project!

The series is expected to be broadcasted every 2 weeks.

## Congratulations to K-9 VENUS and Patrolman James Evans!

Congratulations to Gloucester Township Police's very first Bloodhound, K-9 Venus, and her partner, Patrolman James Evans, who graduated from the Cape May County Sheriff's Office Tracking and Trailing Academy on January 7, 2022!

This addition of K-9 Venus to the GTPD family will enable officers to quickly have a Bloodhound trailing service dog respond and assist with investigations involving missing persons such as young children, those with dementia, suicidal or those who may have a disability.

*Congratulations, K-9 Venus and Ptl. Evans, and thank you for your service!*

# Attention Residents: Important Announcement from Solterra

Due to the recent spike in Covid-19 cases, Solterra's (the Township's trash collector contractor) workforce has been severely impacted by this contagious disease as has every industry across the nation. As a result of these labor hardships, your trash may not be picked up on your scheduled day and the normal 24-hour recovery pick-up of your trash may also be delayed another day depending upon the route and staff availability. Solterra will continue to utilize their resources and has even reached out to subcontractors to assist them within the next couple of weeks. Please continue to put your trash out on your normal scheduled day. We appreciate your cooperation and understanding. Please share with your friends and neighbors!
