INTERSECTION OF BLenheim-ERIAL ROAD (CR 706) AND COLLEGE DRIVE (CR 673)
ONLINE PUBLIC INFORMATION CENTER MEETING

***JOIN PUBLIC INFORMATION CENTER
MEETING ON JANUARY 31, 2022***

Camden County and the Delaware Valley Regional Planning Commission (DVRPC) will be hosting an online Public Information Center meeting to inform local residents, officials, businesses and the general public about this Local Concept Development (LCD) study to address the high crash rate at the intersection of Blenheim-Erial Road (County Road 706) and College Drive (County Road 673) in Gloucester Township, New Jersey.

The purpose of this online Public Information Center meeting is to present the Purpose and Need for this project and to solicit public input and comments towards the alternatives that have been developed. The public is invited and encouraged to comment on the study. This meeting is open to all members of the public.

Written comments will be accepted via mail or email through February 28, 2022. Comments may be mailed to the Community Involvement Facilitator, Nicole Pace-Addeo, Stokes Creative Group, Inc., 1666 Route 206, Vincentown, NJ 08088. You may also send them via email: npace@stokescg.com.

If you have questions regarding the project, please contact: Kirt Ladwa, P.E., Project Manager, Dewberry Engineers at 856-780-3641 or kladwa@dewberry.com

Senior and Disabled Snow Removal Program to Return

Due to the winter weather that is expected to move through the region on Friday, the Board of Commissioners will be relaunching the senior and disabled snow removal program after a two-year hiatus due to the pandemic.

The Snow Removal Program goes into effect only after 4 inches of snow has fallen on the ground in our area.

- At-risk senior and disabled residents can contact the Camden County Division of Emergency Management at (856) 783-4808 ext. 5035, from 8 a.m. until 4:30 p.m.
- Calls for snow removal will not be taken until after it has stopped snowing.
- The work crews will remove snow only during daylight hours from 8 a.m. to 3 p.m.
- Crews will respond to calls in the order they are received and will service as many residents as possible each day. There are no guaranteed times when the crews will arrive at a residence.
- Senior and Disabled residents must call after each substantial snowfall to request this service.

The Department of Corrections will supply the needed equipment. The program does not supply salt or ice-melting chemicals, but crews will dispense them if supplied by residents. Contact and conversation between the inmates and the public are prohibited. Gratuities and gifts or money, food, drink or any other item is strictly prohibited.

The program uses Camden County Jail inmates who are carefully screened, non-violent offenders who are guarded at all times on the job site by corrections officers.
