## Gloucester Township Police Raises Awareness for Child Abuse Prevention Month

April is Child Abuse Prevention Month, and annually Gloucester Township Police raises awareness through "Pinwheels for Prevention".

In 2008, Prevent Child Abuse America introduced the pinwheel as the new national symbol for child abuse prevention through Pinwheels for Prevention. From what their research showed, and what their experiences since then have reinforced, is that people respond positively to pinwheels, which represent childlike whimsy and lightheartedness and our vision for a world where all children grow up happy, healthy, and prepared to succeed in supportive families and communities.
