# Artist and Muralist, Damon Bain, paints *Revitalization* in the Arts District

Gloucester Township, in partnership with the Arts at Camden County College, is excited to introduce Damon Bain, a portrait artist and muralist, who is creating stunning window art on one of the buildings in the Arts District.

Damon, a Philadelphia artist and an alumnus of Camden County College, has been commissioned by the Gloucester Township Arts District Neighborhood Preservation Program Stakeholder Team to work on a temporary window installation on one of the building's windows kindly donated to the project by the owner.

Damon is painting *Revitalization* as a symbol of revitalization of the beloved Downtown Blackwood section of Gloucester Township. Damon participated in the community event at the Pumpkin Fest last Sunday where he encouraged children to help him create his masterpiece!
