NEW YEAR'S MESSAGE FROM MAYOR DAVID MAYER

"The holiday season is behind us and we are excited to welcome a new year with new opportunities and exciting happenings so abundant in our town! But first, I would like to highlight some past events that happened in the fall of 2022.

We kicked off October with the annual Citizen's Appreciation Ceremony where our outstanding residents were honored for donating their time and talents to better our community. Let's all thank them and celebrate them for their deeds!

Our second Food and Craft Beer Festival in the Downtown Blackwood section of Gloucester Township was a huge success for both the GT Day Scholarship Committee and the town's residents. It was a good time had by all as hundreds of folks enjoyed a wide selection of delicious fare and a variety of craft beer and wine.

It was with great excitement we hosted our first ever Christmas Village at Veteran's Park featuring vendors offering a wide variety of unique crafts, Christmas gifts, and a fine array of delicious treats. *(continued on Page 2)*

NEW YEAR'S MESSAGE FROM MAYOR DAVID MAYER

Although it rained parts of the day, holiday spirit could be felt, and it was a beautiful event for those who came out and enjoyed shopping, amazing food trucks, free rides on the Carousel and Dizzy Dragons, free hot chocolate and cookies, and performances by Mainstage, DJ Lou DiMarco, and Kelsey Coan!

This year, coming soon is the town Hero Banner Program that will honor Gloucester Township's veterans with the public recognition they so deserve. Details about this special program will be forth coming and we are very enthusiastic about getting it up and running.

Springing forward, we await all the good times of the Arts Market and the summer fun of the Farmers Market both in the NPP District of the Blackwood section of Gloucester Township. Stay tuned as more details of these warm weather favorites start to take shape!

As always, should you have any questions or concerns, or need help, please reach out to my office at 856-374-3514."

GLOUCESTER TOWNSHIP TOWN HEROES BANNER PROGRAM

Gloucester Township Mayor David Mayer and Township Council are excited to announce the launching of Gloucester Township Town Heroes Banner Program in January.

"Gloucester Township is proud to be home to countless active military personnel and veterans; and the Town Heroes Banner Program is a great opportunity for the community of Gloucester Township to recognize our heroes for their service and sacrifice to our country," said Mayor Mayer.

The Gloucester Township Town Heroes Banner Program will recognize and honor Gloucester Township veterans who have served or who are currently serving our country in the United States Military.

Banners honoring our brave service men and women will be proudly displayed in prominent locations within the Township. Banners may be sponsored by individuals or organizations. The Nominator can also request sponsorship in which case the application will be placed on a waitlist with production times varied based on sponsorship funding availability. Stay tuned and check the municipal website for updates on the program.
