## GLOUCESTER TOWNSHIP WELCOMES B-SIDE EVENTS LLC

Mayor David Mayer joined Dale Baylor and Amber Halloway today as they cut the ribbon on their new business B-Side Events in the Erial section of Gloucester Township.

Located at 2901 Erial Road, B-Side Events is a family owned and operated event venue designed to bring all your loved ones together. They provide a beautiful blank canvas for you to bring to life whatever your heart desires; however, if your wish is to arrive to a ready-made event, B-Side is happy to accommodate you with their event planning services! The venue is a perfect space to celebrate birthday parties, baby showers, gender reveals, anniversaries, corporate events and more.

## Public Hearing Notice: Multi-Use Path

The Township has received Transportation Alternatives Set-Aside funds to design and construct a multi-use path that will run along Lakeland Road from the Black Horse Pike (NJ route 168) commercial district to the Camden County's bike share facility in the Lakeland Complex.

**PROJECT SCOPE:** This Lakeland Road Multi-Use Path will cross the main trail system approximately 0.2 miles west of Black Horse Pike. The connection to the Black Horse Pike is a key component to using the trail system to access commercial sites, the bus route that runs along the Black Horse Pike and for employment opportunities. The connection to the County's bike share facility will offer increased opportunity for recreational use of the system.

The public is encouraged to attend a public hearing to learn more about the project and to ask questions or provide comments on **Thursday, April 6, 10:00 am**. The meeting will be held in person in the Gloucester Township Council Room in the Municipal Building located at 1261 Chews Landing Road in Clementon. Written comments on the proposed application may be directed to Anthony Chadwell, Township Engineer, [anthony.chadwell@rve.com](mailto:anthony.chadwell@rve.com).
